

Most people say that the kitchen is the heart of the home....and most of the time the ladies are the heart of the ministry!

We get excited when our "cup is running over" with God's blessings in our lives, but what about when "our pots are boiling over" and our lives of ministry are scorching, burning, and doing no one any good?

Come join us for a time of refreshment, encouragement, and fellowship as we refocus on our ministries and the jobs God has called us to do!

Find out some interesting things...like *WHY a watched pot never boils*, and *WHY nobody does it like Sara Lee*, and *HOW just a pinch of this and a dash of that really does work*, as well as many other KITCHEN SECRETS!

Ladies,

It is my heart's desire to provide a way for ladies in ministry to be encouraged, revitalized, and more effective in our areas of service. Whether you are a Pastor's Wife, Associate Pastor's Wife, Youth Pastor's Wife or Missionary's Wife, your role is vitally important to the areas of ministry God has given you.

I have worked very closely with my husband to plan a week-end of refreshment for all of you ladies who are faithfully serving God and standing behind your men of God to ensure that our Lord's work is being done and souls are being saved. I hope you take the time and opportunity to come and join us for this weekend getaway and are able to learn and glean from the ladies we have scheduled to speak to us.

I am praying for each of you as you continue serving and hope to meet all of you in October!

Your fellow laborer,

Angie Wiley

Meet our Speakers:

Darlene Whetstone is a wonderful example of what a lady in ministry is supposed to be. She has served faithfully with her husband in the ministry for over 30 years, first as a Pastor's wife and now as a missionary wife. This October will mark their 31st year in the ministry, and their 21st in missions. Mrs. Whetstone is the mother of 4 wonderful children and 9 grand children. She is a well-known ladies speaker and will be an encouragement to each lady who is serving the Lord in any type of ministry.

Kim O'Malley is a perfect picture of what a lady of encouragement truly is. She has served in many capacities in her years in the ministry. She has served as a missionary wife along side her husband in the field of Grenada for 5 years, as a Pastor's wife in Alabama, traveled with her husband on the road in missions in a fifth wheel trailer while taking the time to home school their son John, who is now 16. Kim is now the office manager for the WWNTBM office in King's Mountain, North Carolina and is a wonderful helpmeet and mother, as well as a Godly encourager of anyone God allow to cross her path.

God has placed a burden for ladies and their ministries on Angie Wiley's heart. She has served the Lord with her husband in the ministry for over 13 years, first as a youth pastor's wife and now a pastor's wife for almost 10 years. While her husband pastored in Orlando, Florida for 7 years, she was used to start a thriving ladies ministry and is now working on a ladies ministry here in Johnson City, Tennessee. She is the mother of 2 children and loves to minister to the ladies in her church, as well as other ladies in the ministry.
