

TRAINING 2 WIN SESSION #2 – GETTING THEM LOST

- All are lost – we may classify, He has classified all under sin
 - How God sees RO 3:9-18 how a Holy Just and Perfect God sees mankind, – reads like the Tulsa World doesn't it?
 - How man sees – Levels of goodness, When we compare ourselves with others (men) then we become the judge
- What God says – RO 3:19-20 – His criteria for determining fit-ness for heaven is the law (x2) [19], deeds of the law [20]
 - DO you know about 10 Commandments, usually “yes”, familiar
 - “Who are they for?” Scripture says [19] every mouth, all the world, we determine then that everybody is subject to the law
 - Exodus 20 if I have OT/NT, or quote if not, I stay away from #6, #7 and go where less interpretation is needed
 - 20:15 – Steal, if it is gum or the kid, it is stealing
 - 20:16 – False witness, lying, God hates it, it is sin
 - 20:12 – Honor – ever been disrespectful?
 - 20:17 – Like their house? Wish it was yours? covet
 - 20:6 – Give God a day? Break the 4th
 - James 2:8-11 to offend in one point of the law is to fail in all
 - RO 3:19 Law was given to stop men from comparing themselves and justifying themselves, and to show guilt before God
 - [20] typically when we know we do not measure up what do we want to do, try harder, work harder be better, grow new leaves
 - [20] tells us that no flesh (people) are justified by the works of law it is there to help us see that we have no hope, utter failures
- Hopefully they see by now, if they don't I will go back through some of it, but usually if they don't I assume it is BC they don't want to see, so I thank them for their time and promise to keep in touch with them
- Usually the HOLY SPIRIT has been working steadily on them and they see themselves as lost before God maybe for the first time in their lives, and they need to see themselves there.
