TO GOD BE THE GLORY!

I'd like to begin this update with some answers to prayer. First, we are thanking God that we were able to get the brakes repaired on our van. They were in desperate need of replacement and the need was met just in time. Secondly, several of our faithful supporters sent "extra" to help us with our children's education. We now only need \$3,300 to finish paying for next school year.

Now, on to some more blessings. I recently took advantage of the warmer weather (despite the fact that we had measurable snow amounts all the way

through April!) to go for a walk one evening just before sunset. As I walked and prayed, God began to show me that He had enabled me to personally meet every family in every home that I passed, many of whom I was able to share the Gospel with. The more I thought about it, the more I was encouraged, and the more I walked. I walked and prayed for nearly an hour, never passing the same house twice and never leaving the area where we have been knocking doors and meeting people. We are so deeply honored to be doing the work of the minis-

try here, to be representing you as servants of Christ, and, most importantly, glorifying God in the Pacific Northwest. The giving of your treasure and the giving of your time in prayer, coupled with our labor, is not in vain (I Corinthians 15:58).

Thank you once again for being part of the team. Thank you for your prayers. Thank you for your generous financial support. Thank you for the "extra" funds that many of you have sent. Thank you for the encouraging letters and cards. The work of God is advancing!

PLEASE CONTINUE TO PRAY....

- Pray for souls to be saved, Christians to be obedient and equipped for the work of the ministry.
- Pray that the LORD will deliver the cities of Central Oregon into our hands.
- Pray that the LORD will lay it on the hearts of His people to continue to partner with us prayerfully and financially.
- Pray for laborers.
- Pray that the power of God would rest upon our lives and ministry.
- Pray that God will make it clear when & where He wants the next church to be planted.
- Pray for the LORD to provide the rest of the finances for our children's schooling (\$3,300.00).
