Mission's Conference

March 11 – 15, 2009

Mission's conference has come to a close for another year and we have all left with a better understanding and appreciation for our missionaries that CCBC supports both here in the U.S. and throughout the world.

Speakers this week included the Sturgeon's, missionaries in Bolivia, The Haley's, missionaries returning to the field in Africa, The Wright's, missionaries in Uganda, and The Batory's, GFA missions association.

The five days of conference have been filled with the spirit of God which was present during all the preaching each night as well as with the Jr. Church children who had a separate mission's conference each night of their own.
