TUITION AND FINANCIAL POLICY

Every parent/guardian will be given a financial sheet which will outline the current fees and rate of tuition for the current year. Each parent will also receive our current financial policy as outlined below.

FINANCIAL POLICY

Capitol Baptist School does not request nor accept government funding; therefore, it is necessary that fees and tuition be paid on a timely basis.

All fees must be paid at the time of registration and are non-refundable.

Tuition may be paid either in full at the time of registration, or you may enroll in the payment plan option (ten month payments).

A 10% discount on tuition is applied when full payment of tuition and fees is made prior to July 1st.

If you choose to pay in ten monthly installments, the following policy is strictly adhered to:

- If a student attends any school days during a particular month, full tuition during that month is due.
- All monthly tuition payments are due on the 1st of the month.
- After the 5th of the month, a late fee of \$25 will be charged to the account.
- If payment is not made by the 25th of the month, students will not be permitted to attend classes on the 1st day of the new month.
- Students who miss class due to financial reasons will be counted absent but will be excused and will be permitted to make up work upon their return to school.
- Families whose accounts are consistently delinquent may not be given the opportunity to utilize the payment plan option in subsequent years.
- Student's records will not be released for students whose family accounts are not current at the close of the school year or upon the student's withdrawal from the school.

No student may be registered at Capitol Baptist School for the next year if the tuition account does not have a zero balance.

No student may participate in school activities, the school sports program, or be enrolled as a homeschooler under the school's umbrella if their tuition account does not have a zero balance.

In case of early withdrawal, tuition that has been paid in full will be refunded on a pro-rated basis determined by the date of withdrawal from the school.

neat appearance. Athletic style shoes are to be worn for P.E. periods and sports.

Solid white or blue socks are required for boys.

5. Boys' hair must have an overall neat, trim appearance as judged by the administration. Hair must be trimmed above the ears, off the shirt collar and eyebrows. Hair must be its natural color. Hair must not be blocked in the back, but tapered for neatness. Side burns are not to be longer than the middle of the ear. No beards or mustaches are permitted.
6. Sweaters are permitted, but must be solid blue, white or yellow in color. They must be V-neck or cardigan style. No sweater is to be worn that will cover the tie.
7. Boys must wear the school gym uniform for P.E. class.
8. Facial jewelry is not permitted. This includes necklaces, except those worn for medical identification.
9. Marking or tattooing the body is prohibited. A new student enrolling that has a tattoo or marking on the body will not be disqualified solely due to this. In this situation, the administration will make the final enrollment decision.
10. Body piercing is prohibited.

1. The jumper or skirt length of any girl attending Capitol Baptist School must at least cover her knees while standing, or the hem will lay at least one inch on the floor when she is kneeling. Jumpers, skirts, and vests will be purchased through the school.
2. The blouse for all grades is to be solid white or solid light blue. Long or short sleeves are accepted. Slips are to be worn by all girls.

4. Button sweaters may be worn so as not to conceal the uniform. Sweaters must be solid blue, yellow, or white.
5. Girls should wear an appropriate dress shoe that compliments the uniform and has safety in mind. No thongs or tennis shoes are permitted for wear during the regular school day. No sandals or open toe shoes are to be worn by girls grades K-6. Heels are not to exceed 2" for all girls. Sportswear and casual type shoes are not considered appropriate. Platform shoes, clogs, and slides are not permitted. Dress boots that have a "Christian" appearance may be worn during cold weather. Foul weather boots or shoes should be removed once the student is inside the building.

Dear Parents and Students of C.B.S.,

It is a pleasure to welcome you to this school year. We trust this handbook will help to acquaint you with Capitol Baptist School. Our entire faculty, staff, and administration are delighted to have you as part of our family. This ministry has been raised up of God to serve you and help "*train up a child in the way he should go.*" (Prov. 22:6)

The Word of God places the educational responsibilities of children on the parents. "And ye fathers, provoke not your children to wrath; but bring them up in the nurture (discipline) and admonition (instruction) of the Lord." (Ephesians 6:4). God has raised up Christian schools to help parents fulfill this responsibility. "*Lo, children are an heritage of the Lord.*" (Psalm 127:3). Children belong to the parents and not to the government.

Your understanding of this God-given responsibility and willingness to follow God's command is evidenced by your placing your child here at Capitol Baptist School. Our school is a Christ-centered, Bible-based Christian school with the goal of helping you develop your child to his fullest potential in all areas of his life. A further goal is to teach each student how to live a life pleasing to his Creator, living with eternal purposes in mind and not just for the temporal.

This handbook is to help you understand the information that we feel is necessary for an effective administration of a Christian school. It is designed to be your guide and does not attempt to itemize every detail of school life. In matters that are not covered, the administration will reserve final judgment after consideration of facts, Scriptural teachings, and consultation with the faculty. Changes of rules will be published to you as soon as possible.

Our goals are high, and, for that reason, we feel it is necessary to present our principles and practices with the belief that such information promotes a spirit of unity. We ask you to uphold the authority of the teacher and the administration in the same way that we ask the teacher to uphold the parent's authority. If you feel we are wrong in a matter, please go only to the teacher or administrator involved to resolve the problem.

Students attending Capitol Baptist should expect to have an environment that is distinctively Christian. Academic achievement, social improvement, and spiritual growth should be of prime importance to each student and parent affiliated with C.B.S. We believe that our conduct and appearance should not conform to the standards of the secular world, but be based on the Word of God. (Romans 12:1-2)

Our prayer is that this might be the best year your child has ever experienced.

**Training them to serve Him,
Pastor Moore and the Administration**

DRESS CODE

The outward appearance of a person is a reflection of the condition of the heart and mind. Through our dress and hair style, we either draw attention to ourselves or we magnify the Lord. It is the school's firm belief that Christian young people must dress and act differently than the world. In order for students to mature spiritually, the teaching of Biblical separation is a vital part of the school's program. Any areas of question will be determined by the Pastor. The following standards are to be met:

Boys

1. The shirt is to be a solid medium blue or white dress shirt of a cotton or cotton blend. Western and casual shirts are not permitted. They can be long or short sleeves. The top button should not be showing when wearing a tie. The shirt tail must be tucked in at all times.

3. Navy dress pants are to be worn. Patch pockets are not accepted except for Kindergarten through 3rd grade. A belt must be worn with all pants with loops.

Blessing Slips

These slips commend a student for doing something special for any of the staff or schoolmates. Although given privately, it is a very tangible way of acknowledging Godly character traits that was exercised when "no one was looking or expecting it."

Demerits

Training children to take responsibility for their actions means teaching them that they are accountable for committing misdeeds or for omitting required actions. Students who violate rules and procedures in and out of the Learning Center will be corrected and given an appropriate penalty as soon as possible.

***Parents of a student in Grades 1-6 who has earned at least 25 demerits will be required to meet with the Pastor to discuss severe disciplinary measures.**

A total of 50 demerits will put the child on in-school suspension for one week.

***A student in Grades 7-12 who accumulates 50 demerits will be expelled from Capitol Baptist School. Demerits are cumulative throughout the year. Detention will be served after three demerits in the same week. Three suspensions equal automatic expulsion.**

The following guideline is a **non-exhaustive** list of offenses and their respective demerits.

SCHOOL HISTORY AND PURPOSE

Capitol Baptist School was founded in 1971 with nine students in grades 1-5 and two teachers. The school added one grade each year, and the first class graduated in 1979.

The purpose of this school is to train Christian young people to reach their full potential both spiritually and academically. God's purpose for each person is found in Romans 8:29, "... *to be conformed to the image of His Son*" (to become like Jesus Christ). The school is not intended to be a hedge against integration or as a reform school for delinquent children.

It is the prayer of the administration and staff that each student not only learn information, but learn how to live life.

AFFILIATIONS AND ACCREDITATION

Capitol Baptist School is a member of the Delaware Association of Christian Schools and the American Association of Christian Schools. Though C.B.S. is not accredited, the students are accepted when transferred. Colleges accept the graduates of Christian schools based on their college entrance exams. Because of good academic preparation, our graduates have had little trouble being accepted.

STATEMENT OF FAITH—please see the Capitol Baptist Church Constitution for complete statement of faith.

"A declaration of those things most surely believed among us", Luke 1:1

1. We believe in the infallible verbal inspiration of the whole Bible and us only the King James Bible, II Timothy 3:16,17.
2. The Triune God, Matthew 28:19.
3. The Genesis account of Creation.
4. The Virgin Birth of Jesus Christ, Matthew 1:20.
5. The Deity of Jesus Christ, John 10:30.
6. The vicarious sacrifice of Jesus Christ, Hebrews 2:9.
7. That salvation is wholly by grace through faith in Christ, Ephesians 2:8; and that all believers are preserved eternally, I Peter 1:5; John 10:27-30.
8. The bodily resurrection and ascension of Jesus, and the bodily resurrection of his saints, I Cor. 15; the second coming of Jesus Christ, personal and bodily as the crowning event of this Gentile age, Acts 1:11; to set up His Kingdom on earth and to rule upon the earth one thousand years, Revelation 20:6.
9. The Bible doctrine of eternal punishment of the finally impenitent, Matthew 25:46.
10. A Scriptural church is a visible assembly of baptized believers, who covenants together under New Testament law for the purpose of carrying out the Great Commission, with an unbroken history from the personal ministry of Jesus on earth to this present day.
11. We hold what true Baptists have ever held: That the Great Commission was given to the churches only; that in kingdom activities the church is the only unit in associated work; that each church should exercise equal authority; and that the churches should meet their responsibilities according to their several abilities.

12. All cooperating bodies such as associations, conventions, boards, committees, etc., are and properly should be servants of the churches, Matthew 20:25-28.
13. Scriptural Baptism is immersion of believers, administered by a New Testament church; the Lord's Supper is a memorial ordinance, restricted to the faithful church members of Capitol Baptist Church or any church of like faith.
14. We hold that the gift of tongues fulfilled its purpose in the age of the apostles and the infant New Testament Church. This gift was "done away" when the New Testament Scriptures were completed, I Corinthians 13:8-13.

OBJECTIVES IN EDUCATION

The objectives of Capitol Baptist School in the education of young people are as follows:

1. To lead children to a personal knowledge of Christ as true Savior.
2. To prepare children spiritually by instilling in them a love for the Lord Jesus Christ, God the Father, and His Holy Spirit, and a personal sense of responsibility to be all God wants them to be.
3. To prepare children to serve God effectively.
4. To encourage them to think clearly, logically, and independently.
5. To offer an instructional program that meets the academic needs of children.
6. To develop an understanding of the world in which they live and the ability to appreciate and adjust to their environment.
7. To achieve mastery in the tools of learning and communication.
8. To develop a sense of responsibility in each child as a citizen and as a Christian.
9. To develop a moral, ethical, and spiritual sense that will aid them in appreciation of their personal worth and that of others.
10. To provide them with opportunities to develop understanding of and an appreciation of their personal worth and that of others.
11. To provide opportunities for developing skills necessary to make a living.
12. To offer opportunities to participate in wholesome forms of recreation.
13. To prepare each child for an outstanding position in life.
14. To prepare for spiritual leadership in school, home, church, community, state, nation, and the world.

Privilege Level Status

When a person assumes greater responsibilities in life, he earns greater privileges. This principle is taught through the A.C.E. incentive system, designated by the letters "A," "C," and "E." Each letter represents a privilege level that may be earned by meeting responsibilities outlined below. A deserving student will display the appropriate Privilege emblem in his office during the week.

Level "A" Responsibilities

1. Complete 2 PACES a week
2. Maintain academic balance
3. No demerits from previous week
4. No detention record from the preceding week
5. Memorize previous month's Bible selection

Level "A" Privileges

1. Additional 5 minutes on morning break.

knowledge of wrong-doing should notify the administration. The aim is to train Godly character and keep a good testimony for the Lord.

Discipline Guide

At Capitol Baptist School we insist that order be maintained, responsibility developed, and character built. We endeavor to do this through discipline which is administered in love. Discipline is not always punishment. The administration is present not only to administer correction where needed, but also to counsel with students and parents. The administration is experienced and trained in meeting the needs of young people and in helping them to be found “*in favor with God and man.*” Parents and students are encouraged to contact the administration in relation to behavioral difficulties. Effective discipline for the betterment of our young people requires courage, consistency, conviction, diligence, and enthusiastic effort by parents and school personnel.

Attendance at Capitol Baptist School is a privilege, not a right. Constructive suggestions are always welcome, but GRIPING IS NOT TOLERATED. Anyone who will not cooperate spiritually, morally, or scholastically will be dismissed.

Corporal Punishment

- 1. God's Word teaches that children should be chastened and that paddling (use of the rod) is a proper method of chastisement.
(Prov. 3:11-12; 13-24; 19:18; 20:30; 22:15; 23:13-14; 29:15-17)
- 2. This responsibility rests on the parents and not the school or teachers.
- 3. Although Capitol Baptist School does not administer Corporal Punishment, we do inform the parents/guardians of any violations that would warrant spanking.

Capitol Baptist School uses a Merit and Demerit System. If the administration feels that merits/demerits are not changing a student’s behavior, a letter will be sent home. This letter will be considered an official request of the administration for the parents’ assistance in curbing their child’s behavior by whatever means they deem appropriate. The parent’s signature upon this letter, which must be returned to the school, is both an acknowledgment of receiving it and an agreement to initiate the requested assistance. The administration of CBS does fully expect parental concern and compliance in this matter.

Merits (1st – 12th Grades)

The faculty’s desire is to emphasize merits and positive incentives more than demerits and punishments. Merits may be spent at the Merit Store. Of course, students will want to earn points for Merit Trips throughout the school year. These trips will be announced ahead of time. The most common ways to earn merits are the following:

<i>Half-birthdays and birthdays</i>	25
<i>Perfectly scored PACE</i>	25
<i>Perfect goal check (completed daily goals set)</i>	5
<i>No demerits per week</i>	
<i>(with perfect attendance)</i>	25
<i>Five green dots in a week</i>	
<i>(No Homework all week)</i>	50
<i>Demonstration of Godly character</i>	25
<i>Clean office all day</i>	5

- 2. Students are tentatively accepted at Capitol Baptist School after the forms are completed and registration is paid. Final acceptance is contingent upon the result of testing and placement of the student. Parents and students are required to sign the statement of cooperation and be interviewed by the principal. All new students are accepted on a 6-week probationary period. Parents will be contacted if there seems to be an adjustment problem.
- 3. Admission of students is based upon character, a testing program, and an interview of parents. Handicapped students or students having marked learning disabilities may not be accepted because C.B.S. is not equipped to meet their needs.
- 4. While it is not the desire of C.B.S. to discriminate against any youngster, but due to the current sinful practices of a large section of American society, it is recognized that certain life-threatening diseases can afflict children. For those students who are innocently afflicted, we have great compassion and sympathy. Yet we are faced with the challenge of providing a safe haven for the children entrusted to our care by their loving parents. Our purpose is to protect our students from exposure to moral illness.
- 5. We recognize also that Capitol Baptist School, with its limited finances, is not equipped physically to care for the needs of very ill students or any student with a communicable disease. Therefore, because we are moved with deep sympathy for the sick child and the well child, it will be the policy of C.B.S. to provide a Christian education for a child with a communicable disease only through our Home School Program. The concern is twofold: it is that other students not be infected or that the ill student not become infected with other diseases transmitted by fellow students or others within the school family. This policy is to apply to diseases such as, but not limited to, and including syphilis, gonorrhea, acquired immune deficiency syndrome (AIDS), etc.
- 6. A student that marries will not be accepted for enrollment, re-enrollment, or be allowed to finish out the year, as a student at Capitol Baptist School.

High school students must also sign out with the After Care Supervisor prior to leaving the building. All students not enrolled in Contracted Extended Care will be charged the daily rate.

1. To refrain from swearing, indecent language, smoking, drinking alcoholic beverages, the abuse of drugs, gambling, dancing, and listening to rock and modern country music.

a. **Rock Music Policy:** The purpose of a Christian school is to build into a young person the proper spiritual and academic direction for life. Since rock music is a part of the counter culture which seeks to implant seeds of rebellion in young people's hearts and minds, Capitol Baptist School considers listening to this kind of music to be detrimental to the spiritual, moral, and intellectual life of a young person. Therefore, the policy of Capitol Baptist School is that students not listen to any kind of rock music including so-called "Christian Rock." Listening to rock music will be considered an infraction of rules, and demerits will be issued for this offense.

Note: Listening means willful listening, not exposure in a restaurant, etc.

- b. **Dancing Policy:** It is the policy of Capitol Baptist School that the students not participate in dancing.
2. To maintain Christian standards in courtesy, kindness, morality, and honesty.
3. To live above reproach showing respect to God, country, family, faculty, and fellow-students. Therefore, lying, cheating, stealing, and profanity will not be tolerated.
4. To avoid disorderly conduct. Goofing off, horseplay, disruptive talking, etc. are not conducive to Christian character and lead to destruction of property; therefore, it will not be tolerated.

The selection of the restrictions mentioned in this pledge may appear arbitrary to some, but, while not condemning others who see differently, Capitol Baptist School believes that the restrictions named are types of conduct which are detrimental to the standards established as its objectives.

Students are expected to abide by these standards throughout their enrollment whether at home, school, or elsewhere. Student and parent(s) found to be out of harmony with Capitol Baptist School's ideals of work and life may be invited to withdraw whenever the general welfare demands it, even though there may be no special breach of conduct.

In this atmosphere of definite and positive Christian standards of conduct, good scholastic planning, and personal interest between faculty and student, there is a fine opportunity for development of strong Christian character.

Eyewitness To Wrong

It is the responsibility of teachers, parents, and students to help see that school rules are followed. If a student or parent sees the misconduct of a student, go to that student and reveal your knowledge of the wrong action. Ask him to turn himself in and admit the wrong. Volunteer to go with him for moral support. Let him know that if he fails to admit that wrong to the proper authority, you will be forced to notify someone about the infraction. This procedure should help people not to tattle and also keep wrong-doing to a minimum.

Students caught hiding the sin of a fellow student may be subject to the same penalty as the offender. A friend does not become party to wrong-doing but helps the friend do right. Sometimes this means correction for the offending friend. Parents who have

DISCIPLINE CODE

Standards of Conduct

Capitol Baptist School holds that the Bible is the infallible, divine Word of God and that salvation by faith in Christ is the initial step in the Christian life. There is adequate Biblical basis for the idea of spiritual growth into the image of Christ (Rom. 8:29), which is the work of the Holy Spirit (II Cor. 3:18). This growth begins with the initial act of saving faith and continues throughout life. The Holy Spirit makes the Christian conscious of the Biblical demands for a holy life which fulfills both God's moral law and high law of love (Matt. 22:37-39, Rom. 13:8-10, Gal. 5:14). The result is a life consecrated unto God and separated from the world.

Capitol Baptist School must, therefore, provide an environment conducive to the spiritual growth and development of young people who are not yet mature Christians. A standard of conduct based on the following Biblical imperatives is necessary to provide such an environment. All of the activities of the Christian must be subordinated to the glory of God who indwells us (I Cor. 8:9, 12:13, 10:32). The Christian will endeavor to avoid practices which cause the loss of sensitivity to the spiritual needs of the world and loss of the Christian's physical, mental, or spiritual well-being (I Cor. 9:27).

A sense of the need for spiritual growth in the light of these principles has led Capitol Baptist School to adopt the following standards which we believe are conducive to the environment that will best promote the spiritual welfare of the student. The school, therefore, requests each student whether at home, school, or elsewhere:

Absences: A student who has been absent from school must present a note on the day of his return to the school. The note should contain the following information:

1. Date or dates of absence
2. Reason for absence
3. Signature of parent and/or physician

Absences will be excused for the following reasons:

1. Illness
 - a. Short-term illness must be verified by written notification of parent
 - b. Long-term illness (3 days or more) must be verified by a physician
2. Death (usually only in the immediate family)
3. Medical appointments
4. Approved Academic Cuts (previously arranged trip, etc.)

This note is to be presented to the learning center. If an excuse is not returned the next day, the student will receive a demerit each day until a note is received.

The Administrator will decide whether an absence is excused or unexcused.

Grades K-12: If a student is absent for more than thirty days during the school year, C.B.S. reserves the right to retain the student at the same grade level. In the high school, this would result in a loss of credit for any course in which the student has accumulated thirty absences.

Academic Cuts: Parents may take students out of school based on prearranged, preapproved academic cuts. Only preapproved academic cuts will be excused. All others will be considered unexcused absences. Students may not request more than five (5) days per year. The procedure is as follows:

1. For grades 7-12, a note from home requesting dates off and reason for absence should be given to the Learning Center Supervisor or Administrator.
2. An Academic Cut form can be obtained from the office.
3. Return the signed form to the Learning Center Supervisor **before** date of cut.
4. PACEs and other school work cannot be taken home except in unusual cases.

Early Dismissal: Every effort should be made to make medical appointments outside of school hours. If parents need to pick up a student during school hours, they are to make arrangements in advance with the school administration. Do not go to the Learning Center, rather, come to the school office. We will send for your child. Call only in case of an emergency.

The official school dismissal time is 3:30 p.m. Students should not be asked to leave school early unless it is an emergency or it is for a medical appointment. Permission for a student to leave early for any other reason should be obtained from the Administrator. Failure to do so may be considered "skipping class."

Due to the multiple scenarios that are possible with regards to a student missing part of a school day or leaving school early and returning, the following is the policy for time credited for a school day.

- When a student is present for less than 2 hours in a day, he will receive an absence for that day.
- When a student is present for 2 hours, he will receive credit for a quarter of a day.
- When a student is present for 3.5 hours he will receive credit for half a day.
- When a student is present for 5.25 hours he will receive credit for three quarters of a day.
- When a student is present for 5.5 hours he will receive credit for a full day of school.

Tardiness: Tardiness to classes is disruptive to classroom procedure and must be avoided.

1. Students are expected to be on time to school, class, chapel, and all school functions.
2. Unavoidable delays such as car trouble, accidents, etc., which render a student tardy to school will be excused up to the first two incidences within a 9-week period. Thereafter, the administration reserves the right to deny such recurring delays.
3. A pass must be obtained from the school office whenever a student is tardy to school. At this time the student must present a note from the parent or a phone call must be received by the end of that school day. A demerit will be given if these procedures are not followed.
4. It is the student's responsibility to report his attendance to the supervisor. No student is to be out of class without permission.
5. If a student accumulates three unexcused tardies, he will be required to serve a thirty-minute after-school detention. Three tardies in a nine-week period will be recorded as one day of absence.

HEALTH SERVICE

Communicable Diseases: If your child shows signs of a communicable disease, please consult your physician. The state law requires that children with certain diseases be excluded from school for a prescribed period of time.

Children having mumps or chicken pox will be excluded from school while there is any swelling present from mumps or until after seven days after an onset of chicken pox.

Impetigo, ringworm, scabies, pink eye, tonsillitis, head and body lice, all require exclusion, but there is no set interval of time during which the child may not attend school. These conditions must be treated with proper medication before the child may return to school. Please notify the school if your child has had a communicable disease.

Entrance Requirements: A physical examination is required for entrance to school for all new students. Also required are current tetanus inoculation and proof of complete immunization.

the student's scholastic aptitude and achievement. Students must pay the standard fees which are charged for these nationwide. All forms necessary for the registration of these tests are available through the school office.

Students who do not complete their goals by the end of the day will be required to take their work home. They must have the teacher's permission and a Homework Assignment Slip. Parents are to supervise the work at home and sign the assignment slip to certify that the homework had been completed. Additional assignments are given over a long period of time to comprehend and experience research, reading, writing, and reporting. The amount of homework given may vary from time to time, but effort is made to give assignments in moderation. Homework should always be done neatly, accurately, and on time. All assigned homework must be completed by the beginning of the next school day. Also, notes sent home to parents must be signed and returned the next day. While parents may assist in explaining the work when necessary and in seeing that homework is done, the work must be done by the student.

Progress Reports

Student progress reports will go home every 9 weeks. The purpose of the reporting system is to give parents and students an accurate indication of the progress or lack of progress that is being made. Each student is evaluated quarterly in two areas: character and academic. The academic grade is based upon the actual work done on PACES, tests, homework, and additional assignments throughout the year. The merit/demerit system reports conduct.

Students with outstanding achievement will be recognized in one of four categories:

1. *Administrator's List* - Students with an "A" average with no grade lower than a "B"

Testing Program

Capitol Baptist School participates in standardized testing programs. All students in grades one through twelve are given achievement tests in the spring of each year. The results will be sent home to the parents.

Capitol Baptist School provides and administers the PSAT (Pre-Scholastic Aptitude Test) to students in the 11th grade. It is recommended that seniors register for both the SAT (Scholastic Aptitude Test, commonly referred to as the College Boards) and the ACT (American College Test). Since colleges prefer one of these tests, a student is assured of adequate test information if he takes both. Also, if a student should do poorly on one of these tests, analysis of both tests will give colleges a clearer picture of

Immunizations Required: All new students at C.B.S. must have current tetanus inoculation and tuberculin testing. All students upon entry into the school are required by law to have the following immunizations:

If there is uncertainty about a previous vaccination, it is appropriate to re-immunize. Failure to provide the needed information may delay or prevent your child's enrollment or attendance at school.

Illness: If your child has a fever, cold, upset stomach, or any undue physical distress, please keep him/her home. This is as much for your child's protection as it is for the protection of the other children in the classroom. Working parents, please check your child before you go to work and be sure they are well. Your child is your responsibility when he is not feeling well, and not the responsibility of the school. If your child has a temperature of 100 degrees or above, or becomes ill at school and unable to attend class, we will contact you. Please provide the school all pertinent information concerning contacts on your behalf.

Students who are unable to participate in physical education class must have a note from a parent or doctor. Students are to show the note to the Learning Center Supervisor.

Seniors will not be permitted to march in the commencement exercise if fees are unpaid or if they lack more than one credit for graduation. Arrangements must also have been made to earn this credit in an approved summer school program before the student may march. Students who fail to earn the credit within one year of graduation will be unable to receive a diploma from Capitol Baptist School.

Students who plan to attend college should write colleges of their choice to find out if there are special requirements for admission. Each college has its own individual requirements, and students will need to plan a school program with the Administrator to assure fulfillment of these requirements.

Academic Grading Scale

A - Excellent	B - Above Average	C - Average
D - Below Average	F - Failure	I - Incomplete
A+: 98 - 100	B+ 92 - 93	C+ 86 - 87
A 96 - 97	B 90 - 91	C: 83 - 85
A- 94 - 95	B- 88 - 89	C- 80 - 82

Remember that grades are a tool to help measure progress in learning. If a student makes a "C," he is making average progress. The Lord does not expect every student to make an "A" or "B" since each student has a different ability. However, a student is expected to achieve according to the best of his ability.

Course of Study

Pre-school

Our pre-school program is for pupils who are either three or four by the start of the school year. The reading program is based upon a phonics approach. A regular chapel program emphasizes personal salvation, patriotism, and character development.

Elementary Program

The elementary program is designed to develop learning skills in all subject areas. The reading program is based upon a phonics approach.

The school requires parents to follow the same standard of dress concerning modesty and conduct as is required of the students. Parents are not required to wear uniforms. Parents not meeting the standard will not be permitted to act as chaperones. This includes such activities as class picnics or parties in the classroom as well as field trips.

Parent-Teacher Conferences: The school is an extension of the home. Capitol Baptist School recognizes the importance of the home and the school working together to obtain spiritual and academic growth for the child. Conferences may be necessary throughout the year, and may be arranged with the teacher between 3:30 and 4:00 P.M. on most days or at a time the teacher has no other responsibilities. The school asks that all students and parents cooperate in these beneficial conferences. Calls made to the teachers' homes should be few and brief to respect their family time and privacy.

If a parent wishes to talk with his child's teacher, he should arrange for a private conference with that teacher through the school office. Teachers are happy to arrange for such conferences at scheduled times; however, they should not be detained either before or after school unless a conference has been scheduled for that time.
