Good Samaritan
MINISTRIES
"A hand up, Not a hand out"

Michael D. McClary founded the Good Samaritan Ministries (GSM), a gospel rescue mission, in March, 1987, in Richmond, VA, where he is still serving as the Executive Director. Good Samaritan Ministries is a Christian mission. We view and treat the problems of society from a Christian perspective. All counseling is solely based on the Bible. We have been blessed to have over 10,000 people come through the discipleship program the past 25 years. Many lives and families have been restored to the glory of God!

Join us for this special day!
