

## What Is Faith Promise?

**1.** Faith Promise missionary giving is just that.. a promise made **BY FAITH** by individual church members to give a certain amount of money to the missionary program of the church during the next twelve months.

**2.** The emphasis is upon **FAITH** in making the promise. This is giving **ABOVE** and **BEYOND** the regular tithes and offerings.. **by FAITH!**

**3.** Faith Promise is getting

ahold of God. Each person seeks the Lord's direction **BY FAITH** as to what He would have them to give by **FAITH**.. trusting Him to supply it weekly. That person then purposes in his heart that he (or she) will give that amount each week **BY FAITH**. (II Corth. 9:7) This will do wonders for your prayer life! What a thrill it is to pray each time until the answer comes!

**4.** Faith Promise is between **YOU** and **GOD!** *IT IS NOT A PLEDGE, AND YOU WILL NOT BE DUNNED FOR IT.*

**5.** You mark a card.. but you do not sign it. No one knows what you mark individually but you and the Lord. It will be noted by different areas of the church as we try to reach a goal to do more this year for God.

David and Tonya Liles are both MK's. They were approved as missionaries to Peru with the Baptist Bible Fellowship in 1994. They were both raised in Christian homes, and came to know Christ personally at an early age. They both felt called into ministry as adolescents, and the Lord continued to confirm their calling as they followed His direction to Baptist Bible College, in Springfield, Missouri to study missions. David's parents, Ken and Carrie Liles are former missionaries to Iran and now serve in Restricted Access Nations.

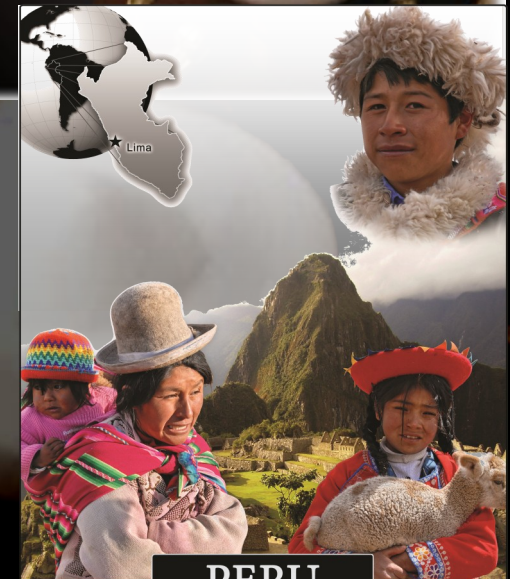

Tonya's parents, Oliver and Gloria Williams are missionaries in Peru. David's brother Jon serves with his family as a missionary in Italy and his sister as a missionary in Peru. Tonya's siblings Brent and Amy (Pointer) also serve with their families as missionaries to Peru (All with Baptist Bible Fellowship). Tonya has recently completed her M.A. in counseling and David his D.Min with a dissertation on conflict stewardship. Helping families pursue and maintain harmony is their passion. They have three children who are the joy of their lives, Cailie 14, Garrett 12, and Brianna 10. They have just finished their third term as missionaries in Peru and will be on furlough from July 2010 through June 2011.
