Sunday School

The Sunday school ministry of JBT has always been a vital part of the growth and maturity of the members. Amazingly, God has always allowed JBT to be in the position to educate its members spiritually. As a young church, JBT used the Bible Circle Fellowship as the foundation for the adult Sunday School. Pastor led the class and as the class grew, men and women were trained providing teachers for the graded Sunday School classes. Today, JBT Sunday School Departments meet the spiritual needs of all its members and visitors by providing lessons for the nursery aged, pre-school, school -aged, teens, college and career, and adult students..

Children's Church

Children's Church is a program on Sunday morning for the young children in the 1st through 5th grade. Children church is a very unique, yet effective way of training and teaching young people. In order to give the children a fun, balanced environment, they learn through game time, Bible memory time, and most importantly the preaching of God's Word.
