

The Bus Ministry

Sunday morning @8:00 am

Wednesday evening @5:30 pm

Luke 15:16 "... Suffer little children to come unto me and forbid them not: for of such is the kingdom of God."

With this commandment in mind, we have followed the leadership of God by starting a bus ministry. For over nineteen years, Jacksonville Baptist Temple has taken busses and vans into the communities of Jacksonville, North Little Rock, Little Rock, Sherwood, and College Station witnessing to and bringing children to the house of God.

The bus ministry has had a dual measure of effectiveness upon the ministry of Jacksonville Baptist Temple. Firstly, we have seen countless numbers of people accepting Christ as their Savior. Whether these young people accepted Christ in their homes, on the bus or van, or in the classroom, the names of these young people are written in the Lamb's Book of Life!

Secondly, the bus ministry has given our members an opportunity to serve others. The members of JBT have been able to serve in the local church, minister to children and utilize their spiritual gifts all to the glory of God.
