

College and Career

Sunday School @10:00 am

The college and career ministry officially launched in June 2013. Our group consists of young single men and women between the ages of 18-24 that are enrolled in college or have already joined the workforce. The college and career ministry provided an opportunity for fellowship, challenge, encouragement, and ministry training, for those looking to follow the Lord and lead an obedient Christ life.

The College and Career Ministry of Jacksonville Baptist Temple exist to:

- Bring college age adults to a saving knowledge of the Lord Jesus Christ.
- Teach obedience to the Word of God by following the Lord in Believer's baptism and surrender to Christian Service.
- Provide current, relevant, and life-changing Bible Study for the modern adult.
- Help foster the transition from youth to single adulthood by giving them more opportunities to serve and responsibility within the ministry.
- Facilitate personal growth through seminars, retreats, and conferences.
