

The Military Outreach Ministry

1st Friday of each month

The Military Outreach Ministry of Jacksonville Baptist Temple was born through the vision of Brother Burt Parker, Brother Rodney Dennis, Brother Antoine Gordon, Brother Tommy Williams, and their families in the Fall of 2002. The ministry began meeting on the Little Rock Air Force Base in the Family Support Center, and subsequently in the home of Brother Burt Parker.

The Mission

To share the love of Jesus Christ with our military community through prayer, fellowship, and support

The Purpose

To provide spiritual and emotional support that focuses on the needs and issues associated with the unique lifestyles of military families.

The Vision

To ensure that our military members and their families can rely on Jacksonville Baptist Temple to provide a family oriented atmosphere to enhance their spiritual, mental and emotional well-being.

Future Outreach Projects

Adopt a Family Program is something we would like to start in hope of connecting military personnel with a volunteer, JBT family, for communication encouragement and discipleship.
