Dear Parent

I pray that this letter finds you doing well, and excited about all that the Lord is doing at our church. We know that Lord has His hand on 15 Mile Road Baptist Church and we are thankful that you are a part of the ministry.

The reason for my letter today is to let you know that Teen Summer Camp is July 12-17, 2010. I know maybe at this point you are thinking that I no longer need to read this letter because my son/daughter is not going to participate, but could I encourage you to read on, and at least allow me to share my heart with you. As a teenager, God did many life changing things for me at Summer Camp. It was a time when I could get away from everything and just focus on Him and other people my age with the same heart. I was saved at the age of 13 at camp and then 3 years later God called me to preach at camp. There were also many other life altering decisions made during my weeks of camp that have allowed me to be where I am today. I personally believe camp is one of the most important weeks of your teenager's life because God can do wonderful things when there are not other outside influences on their lives.

My wife and I will have the privilege this year of taking your teens to camp and we want as many as possible to be able to attend. I have personally been to this camp for several years, and every year my heart is moved and changed, not only with the camp experience, but also with our teens. Would you please consider allowing your son/daughter to go to camp with us this year?

I would count it a privilege to have your son/daughter go to camp with us this year and I pray that you will prayerfully consider your decision. Many of you have told me that, "I really want what is best for my children", and I believe taking them to a week of camp is one of the best investments in their lives that you can make.

Enclosed you will find a registration form, please take a moment to look it over and then fill it out and return it to me, along with a \$50 deposit made out to Mt. Lou San Bible Camp no later than Sunday, March 28, 2010. If you need financial assistance to help with the cost of camp, please feel free to contact me and we will work toward helping you in every possible way. I do not know any other way to express how important I believe this is for your son/daughter to attend camp and my desire would be that you would seek the will of God concerning this week. If you have any questions or concerns about camp, please do not hesitate to contact me at 586-850-7601. Thank you in advance for allowing your child to join us for a life changing week!

Serving Him Together,

Pastor Terry Wimberly
