Journey's of Faith

Retracing the Faith-filled Steps of
Great Bible Characters

Dear Friend,

We are about to begin a wonderful journey together, one that will be new to some of us , but one that I believe will enrich our spiritual lives, as well as deepen our relationships with one another. I pray that you will make every effort to become involved in the Daily Bible Study, in our Weekly Worship Service, and then in a Small Group of your choice.

In the first thirteen weeks we will be taking “Journey’s of Faith.” The Christian life is a journey of faith—a process of growing, one step at a time. Many Christians experience failure, frustration, and even despair on their faith-journey. Many give up too soon and lose sight of God’s promises. Too many Christians see their journey as merely the passing of time, rather than a “journey of faith.”

In this first thirteen weeks we will examine thirteen great Bible characters—each at a critical and memorable moment of faith. At every point of crisis, faith pressed on and God came through. As twenty-first century Christians, we often fail to make the connection to our own present day “journey’s of faith.”

These messages, and lessons will challenge your faith by examining the faith of others. The God who blessed the faith of these great Bible characters, still blesses our faith today. He still delights that we trust in Him.

I look forward to taking this journey with you and pray that the Lord will do great things in our lives. If you have questions do not hesitate to ask. God bless you
