Dear Pastor

Mtn. Lake Bible Institute has been operating for a good number of years and we have had the privilege to teach scores of church members the Word of God and its fundamental doctrines.

We offer a four (4) year curriculum which consists of two classes each semester: Bible Survey (which is just that, a survey of every book of the Bible) and Bible Doctrines (covering the eight "fundamental" doctrines of Christianity.) All classes are held every other Monday evening at 6:30 p.m. and the first class begins August 30. Class content is very thorough yet very practical for Christian living. Registration can be done over the phone or on the first night of class.

Our teachers are Dr. Lloyd Heatwole of Potomac Highland Baptist Church in Keyser, WV and myself. We both have many years of extensive Bible teaching and I believe your church members would benefit greatly from this practical training. Sunday School teachers and folks who do not want to move to Bible College, but want a thorough Bible course, would especially appreciate this opportunity.

The cost for one class is \$25.00, or for both classes \$40.00

Please give me a call if you have any questions or anyone in your church is interested. I can be reached at 301-334-3234 or [mlibc@juno.com](mailto:mlibc@juno.com). I am looking forward to hearing from you. May the Lord richly bless you and your ministry!

Sincerely, your friend,
