Dear Friends;

Things are gearing up for our 2nd Annual "Mountain Top" Men's Rally on Saturday, August 20th.

We have a great program planned for the day with **Dr. Chuck Harding & Dr. Lou Rossi** preaching, the "**Pulpit Echoes**" singing throughout the day, a great catered lunch, along with some games and door prizes.

There is nothing like hearing an auditorium full of men singing the great hymns of our faith! I am confident that everyone will be stirred and have a good time.

We sure hope you can join us and bring a group of men from your church!

Please let us know an approximate number coming so we can be sure to have plenty of food. There's no charge, but we will take up an offering to help with the expenses.

God bless you.

Sincerely, your friend,

Dennis Leatherman

Pastor
