Help Reach the Youth of Mongolia

There are three million people in Mongolia, one of the most remote countries in the world. **27% of the population is 14 years old and younger!** We need to reach these young people for Christ.

We already have a children's Bible story book by Dr. Clarence Sexton and other Gospel materials translated in the Mongolian language. Mongolian churches are eager to distribute these resources. Your purchase of the children's book "Beginning with God" (in English) will enable us to put these same books and other Gospel resources in the hands of Mongolian children who also need to know the Christ of Christmas!

Why Would I Want to Pay \$100.00 for One Book?

The funds raised in excess of the book price will go toward the printing of these books and other much needed Bible materials for the evangelism and discipleship of this pagan people group.

“ I am personally setting the goal of selling 1000 books before Christmas in an effort to reach the youth of Mongolia with the Gospel. Will you help me Partner with The Crown College of the Bible, First Bible International, and Local Church Missions, in the Mongolian Christmas Project to raise the funds to print these Bible resources. ”
