You Can Help Reach the Youth of Mongolia.

Mongolia is a nation of over 3 million people. Most have never heard the saving message of the Gospel. Over 14% of Mongolia's population is 14 years of age or younger. There is a tremendous need to provide age appropriate Gospel materials for these young people. Give today and help make a difference. Every gift of \$100 provides the following:

- A Mongolian children's Bible storybook.
- Mongolian Gospel tracts.
- Mongolian Sunday School lessons.

Worldwide Faith Promise

MISSIONS EMPHASIS SUNDAY

December 4 with Dr. Charles Keen

During 35 years as Pastor, Dr. Keen led First Baptist Church of Milford, Ohio to become one of the premier missions churches in America. Over 50 families were sent to the foreign field. Dr. Keen's mission burden later expanded to include the founding of FirstBible International to target the unreached people groups of the world. Dr. Keen oversees the ministry of FirstBible and is the Editor of the Unpublished WORD Journal.

Testimony of Dr. Charles Keen:

I have been preaching for 40 years. The first 35 years were spent as pastor of the First Baptist Church of Milford, Ohio. My worldview has gone through a slow metamorphosis. In the beginning of my ministry, my worldview was basically a "door to door" one developed for me by good zealous soulwinning pastors who frequently preached "Capture your City for Christ." I practiced this philosophy, for it is right and Scriptural.

Though I knew it was right, I also knew it was not to be the total ministry effort of my church or any New Testament church. So I became deeply involved in world missions. This involved raising millions of \$ for world evangelism; holding missions conferences annually; sending more than 50 families to the mission field out of our membership; and founding the ministry called Bearing Precious Seed (printing millions of Scriptures annually).

The next link in my evolving worldview was brought on when I discovered we were sending missionaries and Bibles where missionaries and Bibles already are. Like door to door soul winning, my mission's philosophy was not wrong, it just wasn't enough. God was leading me to get involved in the unreached people groups. The Bible calls these the "uttermost" in Acts 1:8. To fulfill this burden we founded FirstBible International.

The final step in my mission's journey is to help get the gospel to the nonliterate oral speaking peoples of this world, which constitutes 2/3 of the 6.4 billion globally. They cannot use a Bible because they do not have an alphabet, dictionary or written language. But our Lord's commission to the church is to reach every creature including the oral only speakers. The reason for this testimony is to create awareness that they are there and we have a responsibility to "Go ye into all the world, and preach the gospel to EVERY creature." I am ashamed of the fact I did not know of these unreached and hence they have played no part in my worldview until recently. We must not only include them in our mission's philosophy but we must work towards a solution to their illiteracy. Though we can give them the gospel orally and they can be saved and even disciplined into church planting, they will not have a "word perfect" Bible until many changes are made and they can finally read one in their native tongue.
