Luke's Testimony

Growing up in a pastor's home, I became familiar with Bible truth from a child. I am grateful for parents who exemplified Christ through their lives and speech. At the age of 14 years, I realized that salvation was a free gift and must be personally received by faith alone in Christ. I trusted Christ to save me after enduring a time of conviction in my heart by the Holy Spirit. Two verses that really helped me are Romans 5:8-9.

Jamie's Testimony

I grew up in a Christian family and lived next door to the church we attended most of my life. I made a profession of salvation when I was 12 years old and was baptized. Shortly, after I started teaching the toddlers Sunday School class. As I grew up I went to college and started teaching in a Christian School. I had led several people to the Lord, but it wasn't until January of 2005 that I actually realized that I needed to be saved. I was in the process of telling a child how they could be saved when the Holy Spirit spoke to me and said that I had been living a lie and that I had not done the very thing I was trying to teach this child. A few days later I couldn't resist any longer and I repented of my sin and trusted Jesus as my personal Savior! My life has been different ever since filled with peace, joy, and contentment!

Our Children

Paul (June 15, 2007) loves trains, dirt, tractors and most of all working with Daddy outside. He is fun loving, loves being a helper, and excited about learning to read. He loves to hear stories from the Bible. Paul is our little protector, constantly watching out for Abby and other children around the nursery--making sure they stay away from the heater, and taking them to their parents if they fall down and telling them it will be ok.

Jason (10-2-2008) is the soft-hearted one of the bunch, he loves to draw, play in the dirt, make up games, and build forts. He reasons well and decided to potty-train himself so that Mommy wouldn't have to buy him any more diapers...sounds weird, but it worked better than prizes! When we pray for people groups around the world we tell them that these people don't know who Jesus is, and Jason says, "We are missionaries, we can tell them."

Abby (7-1-2010) is our little princess. She loves baby dolls, riding toys, and of course shoes! She is constantly changing her shoes, whether to some of her own, or to anyone's that happen to be laying around! She likes to help mommy with laundry, cleaning, and washing dishes.

There are over 5 million Tibetans, yet not even 1% know Christ! Most have no Bible in their heart language. You could walk for weeks and never meet anyone who has heard the name of Jesus Christ!

2013 TRACT MONTH

BUCKET BRIGADE

Our goal

20,000 tracts distributed

March 31 - April 28

THIS IS THE FINAL WEEK OF OUR TRACT MONTH AND TRACTS ARE BEING DISTRIBUTED THROUGHOUT OUR LAND!

OUR LAST "TRACT MONTH ROAD TRIP"

APRIL 27 - FROSTBURG, MD

HELP US REACH OUR
GOAL OF DISTRIBUTING

20,000 TRACTS
IN THE MONTH OF APRIL!

"Never be ashamed of distributing tracts. Many people hand out tracts to others as if they were ashamed of what they were doing. People are not likely to read tracts if you hand them to them as if you were ashamed to do it; but if you act as though you were conferring a favor upon them, and giving them something worth reading, they will read your tract. It is often well to say to a person, "Here is a little leaflet out of which I have gotten a good deal of good. I would like to have you read it." - R.A. Torrey

Mary and I were both born in Christian homes and both of us were saved at an early age. After meeting in high school, we married a few years after graduation and planned on living the dream of a family, a good career, nice house and attending a good church. God has blessed us in all of those areas, but especially in church and service to Him. Over the years, our spiritual life has grown from basic church attendance to teaching Sunday school, working in VBS, leading men's and ladies' soul winning, music ministry, men's prayer group, and the privilege of serving in a teen ministry as youth pastor and youth pastor's wife.

While attending a preaching conference in 2000, God called me to preach full-time. Since graduating from Bible college, God has made that call clear by giving me a burden for our country and its need for churches. Because the truth of God needs to continue in our land, we are following God's leading to plant a church in Maryland's state capital of Annapolis.

Our goal is to start a church with ministries to Preach, Teach and Reach the Annapolis area.

To accomplish this, we need:

- To Secure a Meeting Place
- Area Wide Soul Winning
- In Home Discipleship
- Establish a Solid Core Group of Church Members
- Full Schedule of Services

Start Bible studies at the:

- Naval Academy
- Area Junior and High Schools
- Local Colleges

Mike's Testimony

I grew up in a home where both of my parents were Christians. In 1982, I asked Jesus to be my Savior. I acknowledged that I was a sinner and was on my way to hell. I was baptized in Nebo First Baptist Church shortly after that. After high school, I attended the U.S. Naval Academy. I met Jen while attending church in Annapolis. It was at the Academy God dealt with me about preaching His Word. I answered the call and fulfilled my military commitment to the military by serving in the Marine Corps. It was at Coastline Baptist Church in Oceanside, California that I learned the value of planned, personal evangelism. While in Iraq, God showed me the impact of a godly testimony by allowing me to lead another soldier to him. God then brought us to Virginia, where I was privileged to attend the Heritage Institute of Ministry and prepare for a life of service to my Savior.

Jen's Testimony

I was raised in a Christian home in Edgewater, MD. My parents were saved when I was two years old. When I was nine years old, my older sister came to me, very concerned that I was not going to heaven and needed Jesus. On March 21, 1987 I ran downstairs and asked my mother to pray with me to ask Jesus to save me and come into my heart. I was baptized one month later. I met Mike in a Sunday school class at church. We were married on May 23rd, 1998. Our son, Isaiah, was born in 1999 and our daughter Abbey was born in 2001. We have attended Heritage Baptist Church for over ten years where, I have served as a K4 aid, volleyball coach, and wedding and event coordinator. We became close friends with many of the missionaries who came back on furlough. God used Justin and Grace Hayes to impress on us the need for missionaries, and especially missionary teams.

Our Call

God used Justin and Grace Hayes to reveal his plan for us in Spain. Justin simply asked the question, "Come and help us." God brought that statement up over and over in our hearts. During our missions conference in 2011, God again put a burden in our hearts to serve him more. We started praying about what and where God wanted us, and God brought up Spain every day. The first Sunday in January, Pastor Edwards preached on Abraham leaving Ur. We surrendered to serve God in Spain that night.

Our Plan

The book of Acts shows the value of missionary teams. Paul routinely traveled on missionary journeys with several companions. We believe God has called us to fill that supporting role in Spain. When we arrive in Spain, we will work with Justin and Grace Hayes, who are BIMi missionaries also sent from Heritage Baptist Church. Our first step will be to learn the language. By working with missionaries already there, we can immediately become immersed in an existing work, allowing us to practice the language while serving. As we learn the language, we will be able to work with the Hayes to teach Spaniards and help them start their churches in areas we might not be able to effectively reach as outsiders.
