Dear Friends and Members;

What a wonderful Thanksgiving season we have had here at MLIBC. The crowds in church have been good, and the fellowship with God's people has been sweet. As always, we rejoice in a number of professions of faith and several young ladies following the Lord in believer's baptism.

MISSIONS EMPHASIS SUNDAY is this coming Sunday, Dec. 6. Our speaker again this year is Brother Ken Fielder, Assistant Director with FIRSTBIBLE INTERNATIONAL.

We will focus on our missions giving, re-evaluate our commitments, and keep our commission to reach the lost around the world at the forefront of our Christmas celebration. Please give much prayer to what more God would have you to do for missions as we finish out the second half of our Missions Year.

A special emphasis this year is the BIBLES4MUSLIMS project. This is the effort to get God's Word into the hands of people in Muslim countries. Please pray and give as God directs you in this effort.

May the Lord richly bless you this special Christmas Season and remember, they called His name Jesus, because He saves His people from their Sins. Hallelujah!!!

Sincerely, your friend,

Dennis Leatherman
