Dear Friends & Members of MLIBC;

Spring is finally here and we are looking forward to a wonderful week of revival meetings with our good friend, Dr. Bill Behrens.

We are coming out of an unusually hard and cold winter and Spring time is a welcome blessing to us this year. As always, Easter is a special time and gives us a wonderful opportunity to invite our friends, family members and neighbors to join us in church.

Dr. Bill Behrens has been with us many times in the past and will bring our Easter messages this Sunday, and then continue with the revival through the following Wednesday evening.

We have some special gifts for those bringing visitors so you will want to be in every service. I am certain that God will speak to our hearts and help us grow in our faith. We are praying for souls to be saved and lives changed for the glory of God!

God bless you and I look forward to seeing you this Sunday!

Sincerely, your friend,
