The Designed Creation

“Understand, ye brutish among the people: and ye fools, when will ye be wise? He that planted the ear, shall he not hear? he that formed the eye, shall he not see?”

(Psalm 94:8-9)

The concept of evolution, according to this verse, is nothing but brute-like foolishness. If an automobile presupposes an automaker, and a clock implies a clockmaker, surely the infinitely more intricate and complex eyes and ears of living creatures require an eye-maker and an ear-maker! *“The hearing ear, and the seeing eye, the LORD hath made even both of them”* (Proverbs 20:12).

The most basic of all scientific laws—the law of cause and effect (no effect greater than its cause)—becomes utmost nonsense if the cosmos is the product of chaos and the universe evolved by chance. *“The fool hath said in his heart, There is no God”* (Psalm 14:1).

Every creature, from the single-celled amoebae to the amazing human body, bears the impress of intricate planning and construction. The notion that such complex structures could evolve by random mutations and natural selection is simply a measure of the audacity of human rebellion and the absurdity of humanistic reasoning. Such things never happen in the real world, and there is no real scientific evidence whatever for “vertical” evolution from one kind to a higher kind. The only genuine evidence for evolution is the fact that the leaders of intellectualism believe it, and the only reason they believe it is their frantic desire to escape God. *“Professing themselves to be wise, they became fools”* (Romans 1:22).

The ear did not “evolve”; it was planted. The eye did not “happen by chance”; it was formed. Every wise man and woman will say with the psalmist, *“I will praise thee; for I am fearfully and wonderfully made: marvellous are thy works; and that my soul knoweth right well”* (Psalm 139:14). - HMM

“Herein is my Father glorified, that ye bear much fruit” John 15:8
