

The following rules apply to each trip, regardless if the vehicle used is church owned or a private vehicle.

The organizer and/or driver for the trip will ensure all participants read and understand the following “rules for the road”.

Seatbelts must be worn at all times.

No hazardous or disruptive activity or noise will be permitted while the vehicle is moving.

All passengers must follow the driver’s instructions.

Keep all objects inside the vehicle.

All windows must be kept clear of objects that may disrupt the driver’s view.

In case of an accident or emergency stop, do not exit the vehicle unless instructed by the driver to do so.

Always exit on the sidewalk side of the vehicle , never on the traffic side.

Violation of these rules may result in the termination of the trip for the entire group or the removal of a participant from the trip.

The safety of others as well as my own safety is a priority on this trip.

I have read, understand, and will comply with these rules during the entire trip>
