Equipping the Saints- Our Passion

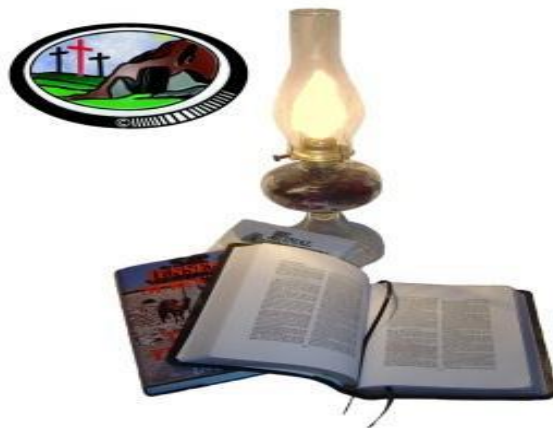

You will find these words throughout our literature. They adorn our logo. They are the basis of the theme of our annual Leadership Conference. Equipping the Saints for the glory of The Lord Jesus Christ is our passion.

God has chosen to allow each of us to play a role in His great work. Our goal is to help better prepare our brothers and sisters in Christ for whatever plan God has for their lives. We do not wish to take the place the local church but to be a help to it. Many of our students are Sunday School Teachers, young preachers, youth leaders and pastors. It is such a blessing to hear their stories telling of how they are taking what they learn here and putting it to use in their home churches. Many more of our students are young mothers, couples, or senior saints, all of whom simply have a hunger for a deeper understanding of God's Word and a desire to apply that understanding to their everyday life so that they may impact others for Christ.

We strive to make a biblical education available to all that have a hunger and thirst for God's Word. Financial Aid is available for those whose financial situation might otherwise deter them from furthering their education. In addition to the Degree Program, we have developed an Adult Continuing Education Certificate Program. This program offers the same classroom instruction, just with a lighter workload and lower cost than the Degree Program. The low cost of this program is perfect for those not seeking a Degree, but have a desire for a sound Biblical education.

Thank you considering Old Bethel College of the Bible. If you have any questions or comments about our College please do not hesitate to contact us. My direct e-mail is jasonparrish@oldbethelcollege.org

Transfer of Credit Hours

There is no charge for the transfer of credits from another college to our college. In order for Transfer Credits to be accepted, an official transcript must be received from the previous school. Transfer credits will be allowed only for subjects offered by Rock of Ages College of Biblical Studies and Theological Seminary. Transfer Credits will be awarded at the sole discretion of the faculty. Please list institutions that you will be contacting for transcripts.

College	Degree	Hours	Year

Any transferable credits must be submitted at the time of enrollment to be accepted.

The reason for this is that if you enroll with no credits being transferred you will be enrolled in the first year studies. We will give you basic courses of study in your first year.

Any credits that you would be transferring would be for courses that would probably be on that same level of study difficulty, or even the very same course. It would not be ethical to accept transfer credits for possibly duplicate studies on the same level.

If you are intending to transfer credits, be sure to contact the institute or institutes, immediately and request that they send your transcripts directly to us. We must receive your transcripts to review and determine your lineup of courses, before you will be allowed to begin your studies.

Life Experience Credits

The following section only applies to those who wish to make application for credit hours, for their years of fulltime Christian service.

There is a section in the catalog that explains in more detail the Life Experience credits.

If you have any questions you can give us a call or e-mail us, and we will do our best to answer your questions.

However, we must have validation of service from the place or places of service in order to grant the credit hours.

We are endeavoring to maintain a very high standard for Life Experience credits in order to maintain the integrity of the college. We want you to be honored to have earned a degree from Rock of Ages College of Biblical Studies and Theological Seminary, knowing that we do not award degrees freely. Those receiving a degree from Rock of Ages College of Biblical Studies and Theological Seminary will know they have earned it.

We want our students to have gained knowledge as a result of their time invested in their studies with us.

Life Experience credits can only be granted at the time of enrollment.

If you are not applying for Life Experience Credits, do not fill out the following section.
