

THE WALTONS

CHURCH PLANTERS TO

BOISE ID

Feb 2014

Busy Month

Dear Brethren and Friends,

Sorry for the lateness of this letter but the month of February and the start of March have been full of activity. The Lord has allowed me to present the Boise ministry at several churches. It has been a such a blessing for me and my family. The number of kind acts by these churches are far too numerous to mention. But let me say these churches have all been so very kind, gracious and giving to us and we are thankful to the Lord for all of them.

I ask you to please pray for a young lady named Julia and that she will allow the Lord to direct her life from this point; she was lead to the Lord by Pastor Griffin's wife at Faith Baptist after services. We were so thankful the Lord allowed us to witness such a life changing event in her life.

On a personal note, Friday March 7th, was my last day as an engineer. Lord willing, that will be the end of my 17 years as an aerospace engineer. From this point forward we will continue in full-time deputation. This will allow me to contact many more churches to schedule meetings. Of course the Lord will provide all we will need, just pray as we transition into this new role. One thing is that I leave many friends at my job who are not saved. Please pray for these souls that the Holy Spirit will open doors for the Gospel to be shared with them.

We look forward to our upcoming scheduled meetings and conferences where we will be able to present the ministry in Boise. It is always a wonderful time in the presentation of the ministry. Pray for the Lord's will as we look for prayers and the possibility of support.

We, as always, are thankful for your prayers and look forward to being your church planters to Boise, Idaho.

Thank you and God bless you,

Bro. Doyce Walton
