Dear Brethren and Friends,

It is our hope and wish that everyone had a blessed and happy New Year. As the new year has come, the Lord certainly has blessed us in many ways.

Pastor Crawford and I were able to attend the Church planting conference at Heartland Baptist Bible Conference in Oklahoma City. It was a blessing to see the Lord moving in so many like minded men, planting churches all over the nation. As an added blessing the Lord allowed us to present the future work in Boise, which let us raise some much needed start up money and support.

God has given my family and I the opportunity to visit many churches and it always so refreshing how kind and friendly the churches are out there. We have been shown such hospitality by brethren who have just met us, it is an humbling experience to say the very least and we are so thankful to all the loving church families out there.

We greatly anticipate the time coming up of our scheduled meetings where we will be able to present the ministry in Boise. We so are hoping for the prayers of the saints. Pray for the Lord's will as we look for prayers and the possibility of support.

Please pray for my wife. She has been witnessing to a family member for a while and that person has been asking questions. Pray that the Lord will lay on their heart the conviction of sin and that He will keep the door open. Personally I had another opportunity to witness to a man who I have been talking to about Salvation for about a year. To me, he seems so close, please pray the Holy spirit will move in his heart.

We, as always, are thankful for your prayers and look forward to being your church planters to Boise, Idaho.

Thank you and God bless you,

Bro. Doyce Walton
