

THE WALTONS

CHURCH PLANTERS TO

BOISE ID

March 2014

Full Time

Dear Friends and Brethren,

This was an amazing month. It finally happened, on March 7, 2014, I quit my job as an engineer at Bell Helicopter and from that time forward I'm full time on deputation. I was so thankful for the 17 years that the Lord let me work in that field, but I am more excited about devoting all my time to the church plant in Boise.

Another event this month, we were blessed to be part of Cornerstone Baptist Temple's Missions Conference in Dayton, OH. This was our first mission's conference to be a part of and it was a wonderful first time experience for the whole family. One of the blessings that touched us greatly, Sandi was able to speak to the children from the bus ministry and Doyce Christopher was also able to be involved on the bus route. The Lord really laid this ministry upon our heart and please pray that the Lord provide, so we can start a bus/van outreach in Boise when we are able. We were happy to see this church make their missions goal, and are so thankful to the members of Cornerstone Baptist Temple and Pastor Siler for having us.

As we were in Ohio, we were also able to be in the town where my wife grew up and visit her "old" church, First Baptist Church of Milford. My wife was thrilled to see all her old church family. We were thankful to the Lord for allowance to present the ministry while there. On their Great Commission night, it was a blessing as we were able to participate in the Bearing Precious Seed ministry, where I stapled, and Sandi and the children collated John and Romans. So thankful to Pastor Duttry and the staff at FBC.

As we move into April, it is wonderfully busy, with many meetings, and also we move out of our rental house. Pastor Crawford and I will be visiting Boise to look for a possible church location. Please pray that this will be a fruitful trip. As always, we are thankful for your prayers and look forward to being your church planters to Boise, Idaho.

Thank you and God bless you,

Bro. Doyce Walton

Prayers and Praises.....

- So thankful to all the loving churches that we have visited
- Please pray for the Lord blessing in our trip to Boise
- Please pray that all goes well in the move
- Pray for the upcoming meetings and conferences
- Pray that the Lord will provide many meetings to present the work.

Mark 16:15 And he said unto them, Go ye into all the world, and preach the gospel to every creature.
