Dear Friends and Brethren,

The month of April has come and gone and it was a great month. God blessed us in allowing a lot of things to be accomplished. The first blessing, God allowed us to be part of Central Baptist Church's Missions Conference in Denton, TX. It was a wonderful time and the church family of Central were so friendly and generous. It was a great time of spiritual rejuvenation and focus on spreading God's Word. We are so thankful to Pastor Shelton and to the congregation of Central Baptist Church for having us.

The Lord allowed Pastor Crawford and me to make a trip to Boise. God willing, I believe we found the area we are going to focus on, the Southeast section of Boise. We are so thankful for your prayers, because we were able to find two great locations in this area that were very receptive to the idea of a church meeting there. Please keep this in your prayers as the time gets closer for our move to Boise. It was great to be with Pastor Crawford in our future home.

One big event was that we have moved out of the rental house. We are so thankful for all the prayers because it was very evident in all the Lord allowed us to accomplish. All our "stuff" is now in storage and will be unloaded in Boise. Until that time, our pastor has graciously let us stay in his missionary apartment, and then after that we will stay with Sandi's parents in Alabama for a couple of months.

God allowed us to be a part of Victory Baptist Church's Missions Conference in Weatherford, TX. It was amazing to see the Victory Baptist's focus on a global outreach to fulfill the Great Commission. We were so humbled by being there, we thank Pastor Wetherbee and the church family at Victory Baptist Church for their blessings to us. We now move into May, and with our move to Alabama, our meeting focus will be in that area, so please keep this in your prayers. As always, we are thankful for your prayers and look forward to being your church planters to Boise, Idaho.

Thank you and God bless you,

Bro. Doyce Walton
