

# THE WALTONS CHURCH PLANTERS TO BOISE ID

April 2013

## The Next Step.....

Brethren and Friends,

Our home for the last ten years, will soon be on the market. I'm so very thankful that the Lord allowed us to get the house ready for sale and complete almost every project. Another blessing, we were able to do all the work ourselves and more inexpensively than if we had hired someone. A little work this weekend and it will be ready to list. Please pray with us for the Lord's will and His perfect timing in selling our home.

I'd like to share an unexpected blessing with you. The car that we purchased over 15 years ago was beyond reasonable repair. We were discussing the options of selling it or taking it to a scrap yard. One evening a young man came to the door and offered to buy it. I took him out side, shared with him everything that was wrong with it, tried to start it, it didn't start, and he still wanted to buy it! There was no "for sale" sign on the car, nor had we talked about selling with anyone. He later came back with his uncle, who repairs and restores cars. They purchased the car and I was able to share the Lord with his uncle. The car came with many, many free gospel tracks too. God is amazing in how He takes care of us.

With the weight of getting the house ready to be put on the market gone, I am ready to begin focusing on scheduling meetings. It would be a blessing if you would continue to pray concerning this effort.

We have a new website [www.proclaim2boise.com](http://www.proclaim2boise.com), that will share all our current information. I'm still trying to overcome the learning curve so it is a work in progress but please visit and see how everything is going.

Please let us know if we can help in any way. We are thankful and look forward to being your church planters to Boise, Idaho.

Thank you and God bless you,

Bro. Doyce Walton
