Summer II.....

Brethren and Friends,

It was a wonderful month. The Lord allowed me to preach at my home church. It is always a blessing when I can bring the word at Heritage. If you look on our website, I've included links to the audio versions of the sermons I've given at Heritage Baptist. I would love you to hear them at anytime, so please visit. On a personal note, our daughter Ashley was able to attend her first teen camp at Silver State Youth Camp in Colorado. It very exciting for all of us and we are waiting for our little daughter's return. Please keep her and all the teens there in your prayers that God will move in their lives.

The Lord has certainly helped us with patience. We are trying to sell our house and He has blessed in that we have shown it many times. I know God will sell it when He is ready for it to be sold, but at times it is a bit trying. Please pray for God's providence in this. As our current plans have it, our moving to "the next step" in deputation is very dependent on the sale of house.

I would greatly appreciate prayer in the following matter. I had set a schedule for the remainder of this year to work full time and then after work come home and schedule meetings. I know you understand the difficulty in stewarding time. I'm praying and seeking counsel for direction and wisdom in this manner.

We are thankful for your prayers and look forward to being your church planters to Boise, Idaho.

Thank you and God bless you,
Bro. Doyce Walton
