

# THE WALTONS CHURCH PLANTERS TO BOISE ID

March 2013

## Beginning and Preparation.....

Brethren and Friends,

A very blessed resurrection Sunday to our beloved brethren. One thing made evident to me this month, deputation is in the Lord's hands and not mine. He opened a door for us to begin deputation earlier than we had planned. Pastor Olson of Heritage Baptist of Wichita, KS offered to take me to the Home Missions Conference at First Baptist Church in Englewood, Co. It was amazing to both hear the preaching and to be in fellowship with men the Lord has called to plant and revive churches here in the US and all those who came to support them. It was a wonderful blessing that the Lord allowed me to be a part of and experience firsthand.

God allowed me to preach at Heritage Baptist in Kansas and present the work in New Haven Baptist. These are my first two meetings and ones that He orchestrated and not me.

I am now back in Fort Worth preparing our home of the last 10 years for sale. Lord willing, I'll be doing all the work so pray that the Lord direct me. We also have been sorting and reducing all the "things" a family acquires along the way. Our children, Ashley (11) and Doyce (9) have been wonderful parting with things they have as we prepare for the move. Lord willing after the house sells, our plan is to rent a house locally until the Lord moves us to Boise.

We still have much to do in the way of preparation. We are working on a website that will be updated frequently. We believe this will be a wonderful way to share updates regarding the Lord's work. We would also ask that you pray with us as we prepare a video to share as we visit churches.

Please let us know if we can ever do anything for you. We are thankful and look forward to being your church planters to Boise, Idaho.

Thank you and God bless you,

Bro. Doyce Walton
