

THE WALTONS CHURCH PLANTERS TO BOISE ID

May 2014

Ordained and Moving Again

Dear Brethren and Friends,

God allowed the month of May to start off in a great way. He allowed us to be part of Tabernacle Baptist Church's Missions Conference in Arlington, TX. It was a great time to hear the Word preached and to meet a congregation eager for the Gospel to be spread throughout the world. We thank Pastor Webb and the church family of Tabernacle Baptist for so graciously having us.

The Lord also allowed us to present the ministry several times this month. This is always a pleasure and joy to show the people what the Lord has called us to do in Boise, Id. These churches were so much of a blessing to us and we are thankful to all of them.

One huge milestone and blessing in my life was the Heritage Baptist Church in Haslet, TX ordained me to the Gospel ministry. I was humbled by my ordination committee of wonderful and godly men; Pastor Willie Weaver, Dr. A.V. Henderson, Bro. Jonathan Stewart Bro. Gary Cox, Bro. Greg Renz, Bro. Michael Wiggins, and of course Pastor Eric Crawford, my pastor. The whole day was an incredible gift from the Lord and I'm thankful that He has called me in to full time ministry. We are thankful to have Heritage Baptist church as our sending church and want to express my gratitude to everyone there.

We have moved, again. This time we moved from the pastor's missionary apartment to the home of my father and mother in-law, Roger and Elizabeth Treadwell, in Tallassee, Al. Lord willing we should be here for a couple of months where will visit some local churches, and from there it should be off to Boise.

Please pray for us as we head in to the months of June and July. The Lord has given us a few meetings but we look for many more, so please keep this in your prayers. As always, we are thankful for your prayers and look forward to being your church planters to Boise, Idaho.

Thank you and God bless you,

Bro. Doyce Walton
