

# THE WALTONS CHURCH PLANTERS TO BOISE ID

Oct 2013

## God's Providence

Brethren and Friends,

First let me apologize for the lateness of this letter, God's provision surprised us and kept us very busy the last few weeks. In a huge answer to prayer God allowed our house to sell. It was a wonderful offer right out of the blue.

From there we were looking for a temporary house that we could either go month-month or sign a 6 month lease. Apparently these are VERY rare within our area of Texas and right at the last moment the Lord again opened a house for us to rent for 6 months.

We've downsized quite a bit and I was thinking that I could move most of our belongings myself. "Leaning to my own understanding" but the Lord knows and led some of our wonderful church family to help and we moved everything to our new temporary home. Next is a personal request, please pray for my children, they have had to give up so much which included their dog, I know in the greater plan of things it's just a dog, but I'm a father and I hate to see my children sad.

In our new temporary house I was able to talk to a neighboring young man, very worldly in manner and practice, who was very interested in a spiritual gifts discussion, pray that the Lord will open a door here and that God gives me the opportunity to present a clear presentation of the Gospel to this young man.

Now that the Lord has sold our house, we are fervently praying the Lord open doors to allow us to present the ministry to Boise as we seek prayers and raise financial support.

We are thankful for your prayers and look forward to being your church planters to Boise, Idaho.

Thank you and God bless you,

Bro. Doyce Walton

## Prayers and Praises.....

- Open doors with new neighbors
- Thankful for the sale of our home.
- Pray that the Lord will provide many meetings to present the work.

*Mark 16:15 And he said unto them, Go ye into all the world, and preach the gospel to every creature.*
