

The mission of High Point Baptist Church is
to introduce people to Christ's love and eternal life,
to train disciples in God's Word, and to send ambassadors for God's glory.

December 2019

Dear Friend,

I am writing to recommend that you partner with Bob and Kelly Radank in the work that God has called them to in Neutraubling, Germany. We have known Bob since he was a teenager living in Germany with his missionary parents. We have watched and supported Bob and Kelly as they have planted a strong Baptist church here in Bavaria, Germany. We have seen their tireless work in community outreaches and evangelism. We have attended prayer meetings with their church and have watched Bob teach their precious German people God's Word. We have had Bob and Kelly come and minister in music and preaching numerous times at our church and have sensed the work of the Holy Spirit in and through them.

We are excited to adopt them as our missionaries and now be able to serve as their sending church and I am honored to be their home pastor. We are convinced that God has brought this about in His sovereign wisdom and has placed us in the perfect place to give the Radanks the support, encouragement, shepherding, and counsel that they will need in the years ahead! However, we cannot do this alone. The Radanks need a team of ministry partners who will pray with them and support them as they serve God in Germany.

There is no question that Satan hates the gospel being preached and people getting saved here in Germany. He would love to extinguish the light of Jesus Christ that is now shining through the church that has been planted in Neutraubling. It is a strong work, but it is still young and vulnerable. Please consider partnering with the Radanks and sharing in the fruit that God is producing to His glory! (Philippians 4.14-20)

Sincerely,
