Reaching Germans to reach Germany, Europe, and the world

Dear Praying Partners,

July 2017

When one speaks of the need for more laborers in the work of the Lord, Matthew 9:37-38 is often referenced. Jesus said: ***The harvest truly is plenteous, but the labourers are few; Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.*** Our desire mirrors these verses as we labor here in Germany. The spiritual fields of Germany are ready for the harvest. All that is needed are more laborers. What we face is not a shortage of work, but of workers. Kelly and I long to see more faithful servants of the Lord who are called to invest their lives here in Germany. There are numerous towns and cities here in Germany that do not have a Bible preaching church. Who is going to reach those towns and cities with the Gospel of Jesus Christ? There is much work that needs to be done, and Germany needs more laborers!

On July 26 we will undertake a short, six week "furlough" back to the States. We will return to Germany on September 6, just in time for Jackson to start a new school year. Since his summer vacation is much shorter than the typical American summer break, we are forced to keep our trips to the States very short. While visiting the States, we plan on spending some quality time with friends and family, but we will also be in numerous churches spread out over the country. We will be in Iowa, Nebraska, South Dakota, Arkansas, Tennessee, Virginia, West Virginia, Pennsylvania, Indiana, and Ohio.

We will be traveling 4,735 miles and be in the car for a total of 76 hours and 25 min in six short weeks! ***Please pray for our sanity and safety!***

We desire to be in as many churches as possible, but there is only so many that we can visit in such a short amount of time. We would love to personally express our thanks to every church that supports us, but that is impossible to do in six weeks time. Therefore, we have made a short video, which highlights all that God has done in the church in Neutraubling. It can be downloaded by going to our website, [radankstogermany.com](http://radankstogermany.com)

Our primary goal for visiting churches in the respective states is to call people to action. Each visit will not only be a way to thank current supporting churches for their sacrifice, but also it will be a personal plea for more laborers to Germany. We are praying that God can use us to stir the hearts of people for the work in Germany.

The church in Neutraubling celebrated their first baby dedication. A family from our church recently had a boy, and Kelly and I also wanted to dedicate Raegan to the Lord. It was a special time for our church family to understand the importance of giving our children back to the Lord. We focused on the life of Hannah, and how she expressed her worship by giving Samuel back to the Lord.
