

Four Horsemen of the Apocalypse

This is a symbolic vision of the Antichrist as he proceeds through the 7 years of Tribulation.

Revelation 6:1-8

PEACE

Antichrist appears on the world stage with a plan for 'peace' (bow with no arrows)

Daniel 8:25

DEATH & HELL

Death and Hell are paired here on the pale horse. This unwelcomed rider can be followed through the remainder of the Book of Revelation. **If this rider appeared today, he would take more than 1.5 billion souls!**

WAR

Antichrist is now exposed as a blood-thirsty warlord. World domination is his agenda. **Notice: the rider now has a weapon...a sword!**

FAMINE

Food shortages naturally follow war. Regimentation of resources is implemented by the Antichrist.
