The Voice in the Wilderness is a nonprofit, independent incorporation, founded by Rev. Dr. J. Royce Thomason D.P.D. Ph.D., evangelist and medical missionary. The organization is dedicated to the spreading of the whole gospel to the world, especially in foreign lands. The program consists of building mission stations, supporting American missionaries and native pastors by partnering with the local church in various areas of ministry and preaching Christ to the lost. We are supported by the gifts of those who care. Contributions to The Voice in the Wilderness for projects or to support the ministry of a missionary will be used as indicated by the donor following approved policies and procedures. Gifts are tax deductible and should be made out to The Voice in the Wilderness.

Go ye into all the world ...

The Voice in the Wilderness has ministered in every corner of the globe through preaching and printing the Gospel of Christ. From North America, South America, Africa, Asia, Europe, Australia and Oceania, *The Voice in the Wilderness* publication has encouraged missionaries and laymen alike. Between Bro. Royce and Bro. Williamson, this ministry has preached the Gospel on every continent, save Antartica. The need around the world to this very hour is the soul saving, life changing message of Jesus Christ. 2016 marks the 100th year of Dr. J. Royce Thomason's birth. We are asking the readers and subscribers of this printed missionary to help us celebrate the life, ministry, and continued influence of Bro. Royce. India, Columbia, and Venezuela held a special place in Bro. Royce's heart. 2016 is our Centennial celebration of our founder's life. A gift of one dollar, one hundred, one thousand, or one love offering will be a blessing and go toward helping carry the light to a dark and dying world. Will you consider a missionary in India, Bibles for Colombia or a new church plant in Venezuela? Your gift will help meet the needs of these worthy projects.

Every time we print *The Voice in the Wilderness*, thousands across the U.S. and the world are blessed by this printed missionary. The printing and mailing cost over \$6,000. Bro. Royce said *The Voice in the Wilderness* publication is the lifeline for all we do. A Centennial contribution can make the next edition of *The Voice in the Wilderness* a reality. Thank you for your friendship and partnership in The Voice

in the Wilderness. Please continue to hold us up before the Lord in prayer. We need your faithful intercession. God Bless!!

Overlaid on the image is a large, 3D-style word 'STUDY' at the top. Below it, 'THE BOOK OF REVELATION' is written in a bold, black, sans-serif font. A red diagonal banner across the middle reads 'DECEMBER IS ENROLLMENT MONTH BEGINS JANUARY 1ST!' in white, bold, sans-serif font. On the right side, the text 'JOIN THE VOICE IN THE WILDERNESS IN A 23 WEEK ONLINE BIBLE STUDY' is written in a bold, black, sans-serif font.

IS GOD'S WORK IN YOUR WILL?

"One of the most important documents a man ever signs is his Will. I can tell better what a man had in his heart by reading his Will than I can by reading his obituary. His obituary tells the world what his friends thought of him; his Will reveals what he had in his heart." - A. M. Vollmer

For as (a man) thinketh in his heart, so is he - Proverbs 23:7.

Out of (the heart) are the issues of life - Proverbs 4:23.

A bequest in your Will to The Voice in the Wilderness, Inc. can assure that the outreach of this ministry at home and abroad will continue after you have gone to your eternal reward. Prayerfully consider us in your Estate Planning.

Thank you!

Democrats attend Mosque - Following the San Bernadino terrorist attack, The *New York Times* reported that House Democrats would attend a Muslim Mosque prayer “to be a show of solidarity with American Muslims.”

Black Lives Matter in Venezuela - The United States is preparing for the upcoming Presidential and Congressional elections in 2016. Much rhetoric has been made about everything from ISIS to domestic issues such as refugees, illegal immigrants, to even the violence in Chicago. One movement coming more visible this past year, *Black Lives Matter*, sent a co-founder of this movement to observe the congressional elections in Venezuela. Opal Tometi, at the invitation of the Maduro socialist government, said that she was “in a place where there is intelligent political discourse” and that Venezuela appears to “have a truly thriving and rigorous democratic

system.” I’m sorry, but some people open up their mouths and stupid just comes out. After having taken multiple trips to Venezuela, I can say that the political, economic, and social culture is not thriving. When we first went to Caracas over 10 years ago, the exchange rate was around 3 Venezuelan Bolivars to 1 US Dollar. Currently it is closer to 200 Venezuelan Bolivar to a dollar. Is this a thriving system? On February 18, 2014, Leopold Lopez, one of the leaders of the opposition to Hugo Chavez and Nicolas Maduro, was arrested and placed in prison on charges of murder and terrorism. The current government, which arrested Lopez, reduced the charges to arson, damage and criminal gatherings. Lopez’s crime? He called for peaceful protests against the current regime. In September of 2015, Lopez was found guilty of violence, criminal association and accused of attempting a coup. The government was allotted about 700 hours of testimony; but Lopez and his attorneys were given less than three hours. Is this a thriving democratic system? In regard to the elections held in December, President Maduro said that the socialists would prevail “by any means.” Is this a democratic system? Is this intelligent political discourse? In an effort to try to get as many votes as possible, the socialistic government ordered that the polls stay open for an extra hour. Nevertheless, the opposition (MUD) won the majority (99 of the 167 seats) in the national assembly. America! - Take heed! Just look at what has happened in Venezuela in the last 20 years. Now, America has its own declared Democratic Socialist, Bernie Sanders, and other political leaders who would destroy the unique and constitutional foundations of America. Pray for America! Pray for Venezuela and our brothers and sisters serving the Lord in their country.
