*"The voice of one crying in the wilderness, Prepare ye the way of the Lord, make His paths straight." - Mark 1:3*

by Ronnie Williamson

While the lies and confusions swirl, my deep appreciation for The United States of America increases. We have a good and godly history. Liberals and revisionists may campaign on perversion but the truth prevails. I am thankful for God's blessing on my family, His Church and this Nation. Let *us* (U.S.) pray to our LORD for HIS hand of grace and strength in this Spiritual battle.

No power, no authority, no government exists apart from God's ordination. Man can operate within God's ordered parameters or man can abuse, pervert or deny God's sovereign power and face judgment in God's ultimate court.

Romans 13:1 says:

*Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God.*

## Defining: Patriot or Patriotism

Perhaps not Webster's definition but a practical and applicable lesson for today.

We will use the letters in **U.S.A.** which typically note United States of America to outline Romans chapter 13.

**U**NDER  
**S**OVEREIGN  
**A**UTHORITY

Talk about making people mad! We, ourselves, want to be sovereign.

1. I have my rights!
2. Who are you to tell ME what to do!
3. I have a right to be happy!

Those three defiant expressions are seen in abortion, divorce, and sodomy.

O for a bended knee, bowed head and submissive heart to the Sovereign Lord God!

Charles Spurgeon wrote this:

Opposition to divine sovereignty is essentially atheism. Men have no objection to a god who is really no God, a god who shall be the subject of

caprice, who shall be a servile follower of their will, who shall be under their control. But a God who speaks and it is done, who commands and it stands fast, a God who does as He will among the armies of heaven among the inhabitants of this lower world such a God as this they cannot endure. And yet, is it not essential to the very being of God that He should be absolute and supreme? Certainly to the scriptural conception of God,

Sovereignty

It is an absolute necessity.

Romans 13:1 "...For there is no power but of God:..."

There is peace and power when men humble themselves under God's Sovereign Authority.

Character of heart (under)

Commitment to right (sovereign)

Commissioned by God (authority)

The following is a powerful illustration. It was World War II, and a young American soldier who was a Christian had been captured by a Japanese soldier. The Japanese pressed bayonet to the back of the American ordering the prisoner to march. As the two proceeded through the jungle, the American began to whistle a church hymn to calm his fears.

In a moment, surprisingly, the Japanese began to whistle along the same hymn with the American. Soon the former enemies had stopped on the jungle trail for a time of fellowship in Christ.

They later parted ways in peace.

Romans 13:14 "But put ye on the LORD JESUS CHRIST." Under Sovereign Authority!

Rev. 1:13 says, "And He was clothed with a vesture dipped in blood: and His name is called THE WORD OF GOD."

Never forget – Our Authority is GOD'S HOLY WORD!

This is Blood bought Authority.

Precious Authority

Pure Authority

Powerful Authority

Preserved Authority

USA

Under Sovereign Authority – The true patriot understands this.

Who is a Patriot – what is Patriotism?

Whether you live in these United States, India, Europe or South America - "Let every soul be subject unto The Higher Powers." For there is no power but of God.

Patriotism is not:

1. Political Correctness
2. Personal Gratification
3. Popularity Polls

The Patriot is not out for:

1. Financial Gain
2. Furtherance of Career and Ambition
3. Feely, Fuzzy go-along to get-along.

We, the U.S.A., hold these Truths to be self-evident...

THANK YOU FOR YOUR PRAYERS AND PARTNERSHIP!

### Vision 20/20

Each day is new and filled with opportunity. It is a joy to see our LORD at work in so many amazing ways. Here are four of our

**"Pulpit Pamphleteer"** Brochures

now translated in Spanish. These little "preachers" will be traveling to places we cannot go, and ministering in places we do not know. They need no food, water nor rest. And now we pray as GOD uses these unique tools to touch lives.

At the time of this writing more John and Romans Spanish and Puinave Scriptures are en route to the mission field. Beans and rice have also been shipped to feed the children and adults. Your gifts and partnership have been used of GOD to make this possible. Thank you so very much!

The god of this world has blinded the minds of lost souls. But remember we have the gospel Light of JESUS to bring them out of darkness. May 2020 continue with "VISION" of our GREAT GOD who is able to save to the uttermost.

For Christ and souls,

*Ronnie Williamson*

History is being erased, monuments desecrated, and flags burned. Respect for our national anthem and Pledge of Allegiance is mocked. The classroom has redacted Robert E. Lee and edited George Washington only to offer unit studies on Marilyn Monroe and the Beatles. Resolution writers fill the halls of Congress each day determined to bury our divinely blessed foundations, raise up a facade of socialism and communism and enslave future generations in wickedness and despair. It is the duty of Godly parents to teach their children to know and defend truth. With this tool, you can train up the next American Patriot for God's Glory.

## NEWS BITS FROM HERE AND THERE

- The Gimme Doctrine: Gimme free College. Gimme free housing. Gimme free Healthcare. All that Gimme who goes to work?
- The beauty of the house is order; the blessing of the house is contentment; the glory of the house is hospitality; the crown of the house is godliness.  
-an old motto often placed above fireplaces.
- The Spirit of Christ is the spirit of missions, and the nearer we get to Him the more intensely missionary we must become. - Henry Martyn
- Look at others and be distressed. Look at self and be depressed. Look at Jesus and you will be blessed.
- The blood of Jesus Christ has great power! There is perhaps not a phrase in the Bible that is so full of secret truth as is "The blood of Jesus." It is the secret of His incarnation, when Jesus took on flesh and blood; the secret of His obedience unto death, when He gave His life at the cross of Calvary; the secret of His love that went beyond all understanding when He bought us with His blood; the secret of the enemy and the secret of our eternal salvation.

-Corrie Ten Boom

## He is Risen, Indeed! Hallelujah!

### IS GOD'S WORK IN YOUR WILL?

"One of the most important documents a man ever signs is his Will. I can tell better what a man had in his heart by reading his Will than I can by reading his obituary. His obituary tells the world what his friends thought of him; his Will reveals what he had in his heart."

- A. M. Vollmer

*For as (a man) thinketh in his heart, so is he- Proverbs 23:7.  
Out of (the heart) are the issues of life - Proverbs 4:23.*

A bequest in your Will to The Voice in the Wilderness, Inc. can assure that the outreach of this ministry at home and abroad will continue after you have gone to your eternal reward. Prayerfully consider us in your Estate Planning.

Thank you!

❖ Can this picture be real? This is lawyer Hillary Clinton at age 27 She worked on the Watergate investigation. Is that a Confederate flag on the shelf in the background?

❖ The most powerful Governments on earth cannot stop a virus, but if you give them your money they can change the earth's temperature.

❖ William Randolph

Hearst's father mined 40 million ounces of Black Hills gold. The Supreme Court ruled the taking of the Black Hills illegal and offered the Lakota \$106 million. The tribe refused and that money is now over \$700 million. By the way, the Government had signed a treaty giving the Black Hills to the tribe until gold was discovered in them "thar hills." The Government took back the Black Hills.

❖ Nearly a quarter of all adult Americans have not read a whole or part of a book in the past year. Some 40% of Hispanics have not read a book in the last 12 months, much of this due to the lack of well-translated material, especially in the Christian community. [The Voice in the Wilderness has partnered with a precious Colombian lady who is now translating several key Bible resources for the Spanish Jungle churches and those in the city regions of Colombia and Venezuela-Amen!] Research shows that reading increases vocabulary, reduces stress, increases confidence, improves understanding, boosts brain connectivity, and encourages overall success. The American Founding Fathers rigorously read and studied, pre-eminently from the Bible, as well as the classics and works of great thinkers and philosophers. Yet today's most popular genre for those that do pick up a book within the year is mystery and crime thrillers while religious, classical, and other non-fiction fall below average.

❖ The leftist agenda work tirelessly to scrub American history of its intent and truth. Virginia legislature passes bill leading to localities being able to remove Confederate Monuments. Meanwhile, Washington University students petitioned to remove Washington's portrait from their diploma citing his slave holdings while ignorant that he freed all his slaves. "It is undebatable that the early [abolitionist] efforts and words ... of George Washington ... provided one of the strongest platforms on which later generations of abolitionists, and some of their most notable orators, erected their arguments." *Wallbuilders*

## BIBLICAL ALERT Podcast

Listen each day to the Biblical Alert Podcast. Go to our website [www.thevoiceinthewilderness.org](http://www.thevoiceinthewilderness.org) for immediate access.

A recent Podcast issued the following Alert:

The following article from "Fundamentalist Digest" is a word to the wise. Those "devices" without question occupy a lot of time. So how much is too much? Indeed parents must be vigilant on so many fronts. Satan is so subtle and our families more precious. GOD give us wisdom in this important area.

### Internet Effects on [the] Brain

"New research suggests that being online may affect your attention, memory and social interactions. The internet offers a seemingly endless trove of information, ideas, entertainment and ways to connect with other people. But for all of its benefits, the internet may also alter how you think and feel in ways that aren't quite so positive."

"A recent international study that included researchers from Harvard University suggests that internet use can produce both temporary and sustained changes in certain areas of cognition. In particular, attentional capacities, memory processes, and social interactions can be altered. For example, the endless stream of prompt, pop-up advertisements, and notifications we see when we're online appears to encourage us to divide our attention, which has the unfortunate consequences of reducing our ability to maintain concentration on a single task."

These are perilous times and if Pastors will recognize their responsibility as "Watchmen" Christians can go to the polls with an overwhelming voice for true Biblical values. By sheer numbers, God's people must show up for duty and demonstrate we are thankful for this "space of grace".

Please keep in mind the Democrats candidates are Pro-abortion, anti-second Amendment, Promoters of Sodomite agendas, and enemies of the United States of America Constitution. These people want to take down the Ten Commandments of God, remove Ancient Landmarks and ban the Truth of JESUS from the minds of children. Benjamin Rush said "The great enemy of the salvation of man in my opinion never invented a more effectual means of extirpating [removing] Christianity from the world than by persuading mankind that it was improper to read the Bible at school."

Did you know Nancy and her corrupt-a-crat campaigners want to defend our democracy? Did you know that word democracy does not appear in the Declaration of Independence nor the United States Constitution. As a matter of fact our founders saw democracy as another form of tyranny. The founders laid the ground rules for a republic as written in the Constitution. Article 4 Section 4 of the Constitution of the United States details its guarantee to every state in this Union, a Republican form of government. In *The Constitution Defender* we find these words: "During the almost 75 years between the Constitutional Convention and the Civil War, the nation seemed divided over the very fear of an overbearing central government which those first pilgrims and founders had struggled and fought against. After the War Between the States, even the common language showed the change that had overtaken this young nation. Before the war, there was a feeling that each of the United States **are** a small nation coming together in a league of friendship. After the war, the states muddled together under the calls of unity to be known as The United States **is**. This displayed a subtle change from the intent of the first settlers. Fast forward another 100 years and the picture is clear. A *big government* is *limiting* the states who first gave it its power."

Tidbit ALERT! The people of Rhode Island chose not to send a delegate to the Constitutional Convention because they feared the effects of a big government. But today, all these corrupt-a-crats and modernistic pastors want to change things...change the way things are done...change tradition...change heritage...change history. Did you know the King James Bible says *heaven and earth shall pass away, but my words shall not pass away*. (Mt.24:35) ...*Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law*... (Mt. 5:18) Beware to those that want to bring in Bible perversions, change words and change truth. *My words shall not pass away!*

### **Sending the Gospel**

Thank you for sending Scriptures  
to Colombia and Venezuela

**t.h.i.n.c.**  
on these things

## **Truth and Weakness**

As late as 2017, *The Watchtower*, the official publication of the Jehovah's Witness, distributed monthly 40 million copies in more than 180 different languages in 236 countries. In 2016, the Mormon church reported having 70,000 full time missionaries worldwide distributing their literature. Influences from other religions such as the New Age Movement have caused a lack of biblical teaching and doctrinal knowledge. Just a simple Google search for "yoga in church" yields about 222,000,000 results. "Another Jesus" evangelizes and persuades people against the gospel truth, especially in areas that lack good Bible translations and other materials in the language of the people combating the heresies presented by these and other cults. The lethargy of the church today in promoting the true Gospel throughout the world is only encouraged all the more by the American society's obsession with worldliness and materialism. Dr. Walter Martin, known for his research in countercult apologetics, warns the infiltration of false teaching is due to the lack of the specific teaching ministry of the pulpits. These pulpits have a primary focus on self-help seminar-style preaching or evangelistic sermons to the exclusion of specific application and Bible doctrine. He states that the Unitarian Universalist churches have found it easy to adapt the evangelical church growth techniques "with little or no adaptation...they have little or no difficulty separating form from content." With this model, outreach to baby-boomers, and motto of tolerance, inter-dependence and anti-authoritativeness, these UU churches have been dubbed the "quintessential boomer church." During an eight week time period in 2019, Pew Form listened to over 50,000 sermons that were posted online by churches (this included Catholics, mainline Protestants, evangelical and historically black churches) in the United States. Of those listened to, the phrase "trespass...sin" was used 9% of the time and "home...heaven" was used 8% of the time. Weak pulpits - weak churches - weak people. "Ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your souls."
