"The voice of one crying in the wilderness, Prepare ye the way of the Lord, make His paths straight." - Mark 1:3

by Ronnie Williamson
Proverbs 29:18

This has been a year of praise and thanksgiving for The Voice in the Wilderness. Amid challenging times, the promises and provision of our great and gracious God has been so obvious. I would also like to thank you for praying and giving to The Voice in the Wilderness ministries. The distribution of Scriptures and materials in Venezuela, Colombia, India and the jungle regions has proven fruitful. In times like these, some hunker down in survival mode. But we are thankful the Lord has allowed us to press forward in a time of great opportunity. As Caleb said to Joshua, "Give me this mountain," we have endeavored to meet the challenges with the promises of God.

God has proven Himself time and again when we keep our eyes on Him. Just remember:

- God is very interested in every person.
- God wants for us order not confusion.
- God is faithful, and we can trust Him.

The Voice in the Wilderness "Constitution Defender" book has truly been a timely resource. It is obvious America is under attack by the Devil. We have emphasized three areas for Christians to understand:

- Every Christian citizen is responsible to protect and defend the Constitution.
- Pastors and parents should teach that the Constitution is the basis for America's great heritage and the foundation for our way of life.
- We need to study and understand the events that led to the framing of our Constitution.

Greetings from the mountains in this season of thanks...

Now, that in no way supersedes our commitment to God's Word. Without HIS BOOK there would be no America or Constitution. Dr. Ben Carson said, "We have to resist this war [against] God, freedom of religion, and freedom of speech..." He also said, "As Christians, the Bible calls us to be salt and light to influence our culture."

Sadly, some say there is no place for politics and even The Pledge of Allegiance in the church. All the while the Bible speaks of government, laws, kings, nations and exhorts us to pray for such. How could we preach and pray in the church, but exclude politics and patriotism?

Where there is no vision the people perish. Do we have a holy vision—a vision seeing the eternal? These are perilous times. The fields are white unto harvest. And of all people, God's people must have vision and see the eternal.

In the midst of the storm season, brave souls had a vision. In November 1620, 400 years ago, those daring individuals aboard the *Mayflower* believed the impossible. They launched out by faith, had a vision of what God could do, and dared to give Him the Glory for it all. Such individuals have allowed us to enjoy the blessings and freedoms we have today.

THANK YOU FOR YOUR PRAYERS AND PARTNERSHIP!

PRAYER LETTER

(Detach this page, post, and pray!)

Update

On my desk, as I write this letter, are 19 requests for a contribution to various ministries and causes. Many of them mentioned COVID, Elections, and needs around the world. Some are worthy and I pray their needs are met. But you can only do so much. As we prepare this Newsletter, the 2020 Election is 30-days away. LORD, Thy will be done!

Almost 25 years ago, a preacher friend ask me, "How in the world do you survive? How does The Voice in the Wilderness do what it does?" I immediately told that brother, "It is only the Lord that supplies."

This year has been unusual, insane, prophetic and more. A number of ministries have shut down, some permanently. Praise the Lord, we were debt free at the start of 2020, and once again the Lord has provided. Shipments of Scriptures, resources, food and helps have gone out to the mission field. We have 25,000 John/Romans in three languages almost ready to go out. Take a look at our website www.thevoiceinthewilderness.org for additional projects and updates. God is able and He is worthy to be praised. Precious souls are being saved and ministries encouraged as a result of your support and prayers. Thank you so very much for the sacrifice and all you do to make this ministry possible. You are precious. God bless.

For Christ and souls,

Ronnie Williamson

Witness in Hindi

The distant whistle of the train caused Sundar's heart to jump and suddenly his mind raced out of control. Life flashed before him with dizzying recollection. Out of this valley would emerge either Life or Death. In just a few moments, Sundar Singh would either know TRUTH or meet Damnation beneath the grinding steel of a speeding Train. No longer would he continue in this uncertainty, hopelessly groping through the dark maze of religion.

Follow the miraculous steps of Sundar Singh presented in a gripping novel-style certain to challenge your walk with Christ.

In 2020, some 20 years after Dr. Williamson was introduced to this powerful story in India, the Lord gave opportunity to translate into Spanish and Hindi this unique witness. Please pray as we print and distribute this testimony, and if you have never read the account, request your own copy today!

Testimony in Tragedy

THANK YOU!

Many of you read and responded to the Mobile Bible Bag project in memory of Edi and daughter Hailley. We praise the Lord for confirmation that the box arrived safely in Venezuela! Pastor Ramos received the material from the courier, texted us an immediate picture and words of gratitude and will soon place it into the hands of Pastor Deivis. For many decades we have worked with Pastor Ramos, and to announce the delivery, he set our prayer card picture on top of the newly arrived package. Please keep these dear friends and servants of our Saviour in prayer as they preach, witness, and train believers in Venezuela. The Bible Institute at the church of Pastor Ramos teaches 124 students. Their vigor for the Lord continues strong even through COVID and major economic oppression. More Mobile Bible Bags have been requested and will be immediately utilized in evangelism and training. \$500 will pack and ship a Mobile Bible Bag along with Scriptures, rice, beans, etc. What a special Christmas gift this would be for the Pastors in Venezuela!

Constitution Defender Rally

Twety-Pie joined by Mrs. Madison and The Defender Conductor, boarded the Defender Express and taught all seven articles of the Constitution during Constitution Week. The Daughters of the American Revolution enthusiastically joined in during a virtual rally (Lights, camera and a lot of action from our office "stage" - pictured left). Over 75 students from Temple Baptist School also became "Defenders" as they rode the rails and learned the Constitution (top picture).

Nuggets of Gold

Former slave Frederick Douglass said just after the "Civil War" ended "What must be done for the slaves? Do nothing with us! Your doing with us has already played the mischief with us. IF the Negro cannot stand on his own legs, let him fall. All I ask is, give him a chance to stand on his own legs!"

That's an idea! President and Mrs. Trump tested positive for COVID-19. No doubt, there are some ideas swirling around in the "District of Corruption" about that! Marx and Darwin had atheistic, supremacist ideas. Biden said in the debate that ANTIFA was an idea as if these rioting, murdering, anarchist can't hurt you. Sticks and stones may break my bones but words can never hurt you, yet words have started wars. In October of 1620, the *Mayflower* was bobbing up and down somewhere in the Atlantic Ocean, when pens took up to write the *Mayflower Compact*. What an idea! *For the glory of God and the advancement of the Christian faith...* The United States Declaration of Independence - what an idea! - says, *endowed by their Creator with certain unalienable rights*. October 1957, In God We Trust, was printed on our paper money - what an idea! Fast forward to the 2020 Democratic Convention where they remove God from their platform. Religious freedom, political freedom, economic freedom - are they just ideas - ideas that men and women have risked their lives to obtain. The Democrats are determined to change. Economic, cultural, moral ideas of change. Marx did say that capitalism does not give way without a fight. Are we going to stand up against this evil? Here is an idea - good versus evil. Think about it! That's an idea - think! Christians, today, believe not every spirit, but try the spirits whether they are of God because many false prophets are gone out into the world. What an idea...thinking. What you think is what you are. *For as he thinketh in his heart, so is he...* Pro. 23:7. What are your thoughts today? This is your Biblical Alert!

ORIGINAL INTENT

During the States debate on the proposed U.S. Constitution in 1788, this was said in regards to the religious test clause of the Constitution found in Article VI: "It is apprehended that Jews, Mahometans, Pagans, etc., may be elected to high offices under the government of the United States. Those who are Mahometans (or any others who are not professors of the Christian religion) can never be elected to the office of President or other high office but in one of two cases. First, if the people of America lay aside the Christian religion altogether, it may happen. Should this unfortunately take place, the people will choose such men as think as they do themselves. Another case is if any persons of such descriptions should, notwithstanding their religion, acquire the confidence and esteem of the people of America by their good conduct and practice of virtue, they may be chosen."-NC Governor Samuel Johnston. "I do not suppose an infidel, or any such person, will ever be chosen to any office unless the people themselves be of the same opinion." Richard Dobbs Spaight, Signer. "But it is never to be supposed that the people of America will trust their dearest rights to persons who have no religion at all, or a religion materially different from their own."- Supreme Court Justice James Iredell

NEWS BITS FROM HERE AND THERE

✦ We, the people of the United States, choose in November, elected representatives. Why is Election Day in November and why is it on a Tuesday? Our forefathers had both a religious and practical reason for this. The religious—so that people could go to church on Sunday, worship God, travel to the polling place on Monday and vote on Tuesday. The practical—most were farmers, and the harvest was completed by November giving them the opportunity to vote. Note God's election orders to Moses in Deuteronomy 1:13, "Take you wise men, and understanding, and known among your tribes, and I will make them rulers over you."

The answer: Meditate on God's Word. Elias Boudinot (President of Congress, Signer of Peace Treaty to end American Revolution, Framers of the Bill of Rights, Director of the U.S. Mint) stated: *In short, were you to ask me to recommend the most valuable book in the world, I should fix on the Bible as the most instructive both to the wise and ignorant. Were you to ask me for one affording the most rational and pleasing entertainment to the inquiring mind, I should repeat, it is the Bible; and should you renew the inquiry for the best philosophy or the most interesting history, I should still urge you to look into your Bible. I would make it, in short, the Alpha and Omega of knowledge.*

1620

Mayflower

2020

The ships were leaky and miserable. The trip took more than two months, many became ill, and the seas were rough and dangerous. So, why did hundreds brave the waves to come to an unknown wilderness? Some came for promised gold and glory. However, many filled the boats, as William Bradford wrote in his book *History of Plymouth Plantation*, because they had “committed themselves to the will of God.” [excerpt from *The Constitution Defender*] Struggling under persecution and state-ordered religion, these Pilgrims had fled England and tried creating a home in Holland, but after more than a decade, the secular culture’s influence upon their children forced them to continue the pilgrim journey. Their departure, depicting the utmost faith in God’s guidance is preserved through the painting, “Embarkation of the Pilgrims,” displayed in the Rotunda of the U.S. Capitol since its installation in 1843. Providential winds anchored them in 1620 along the shores of Massachusetts instead of the chartered Virginia Colony and birthed a new compact: *Having undertaken for the glory of God and advancement of the Christian faith, and the honor of our king and country, a voyage to plant the first colony...* Just a few years prior, the native people had tragically succumbed to disease, leaving the land uninhabited. The Plymouth Colony was eventually built upon land purchased from the Indians. Despite hardships and the death of over half of the first Pilgrims, a new life was established and thanksgiving offered to God for His provision. By 1636, a book of laws had been written patterning subsequent laws for the new nation and continuing the biblical foundations encompassed within the spirit of the Mayflower Compact. **Noah Webster, a descendant of Governor Bradford, noted in his 1828 Dictionary the meaning of Thanksgiving: A public celebration of Divine goodness; also, a day set apart for religious services, specially to acknowledge the goodness of God, either in any remarkable deliverance from calamities or danger, or in the ordinary dispensation of His bounties.** Today, for many this history has been erased, the Plymouth monuments desecrated, and a false narrative spread. It is the duty of American’s during this 400th anniversary Pilgrims’ landing to dedicate ourselves as they did, “In the Name of God, Amen!” So gather together this season and share their story of commitment - commitment to faith, family, and freedom.
