## The Triple Crown

### THE VOICE

Our first of The Triple Crown is GOD'S VOICE of Truth. There is no need to be in darkness. There is no excuse to be deceived. There is no reason to be defeated. I'm preaching to the choir. We know the truth and must read, study and memorize His Word to stand against the heavy darkness that grips our land. Sadly, Bible-preaching churches are filled with people employed by local, state and federal government. Fearing loss of their benefits and good paying jobs, church folk are sucked into the devil's tricks. In our Churches are public school teachers and employees. Medical personnel, nurses and many other areas, too many to lists, are also financially trapped into capitulation. Big Pharma may dictate to the church member. China may even be telling the church member what they can and can not do. Even law enforcement, contractors and various businesses have ties to the money that makes it hard to say "no way" to the world's corruption and confusion. Pastors struggle preaching all of God's Word and naming the specifics that lure our young people into the World's Web of Wickedness.

Yet GOD'S VOICE of warning and love is so clear. Obedience is best for us. Obedience is blessing not bondage. Obedience is believing God's Voice and rejecting the serpent's lies. Parent, Pastor - ask the Lord to fill you with His Holy Spirit that you will be empowered to do battle against deception and darkness. We must be distinctively different. The Voice of one crying in today's wilderness with His Truth of divine deliverance for our children and grandchildren. The harvest is here and the hour is urgent. Yes, there is heaven to gain and hell to shun. Hear His Voice!

The Voice in the Wilderness ministry has for seven decades been Reaching, Teaching and Preaching, The Way, The Truth and The Life to red and yellow, black and white souls. Millions of printed pages, millions of miles, and millions of dollars have been invested

in taking The Voice of God's Word from Jerusalem to the regions beyond. This has been a challenge with many victories as I will discuss later. As Mark 1:3 remains our theme verse. May God help

us to continue on for His Glory. (1 Corinthians 10:31)

Read Psalm 29:1. Yes, The Voice of the LORD is powerful and full of majesty! Read the King James Bible today!

### THE VISION

Where there is no VISION the people run naked, unrestrained and perish. How can we resist the devil when we do his music, drink his beverage and dress like his crowd. I have seen it - the tears and broken hearts. Parents asking why? Did they not see it?

Where is the vision of God's holiness?

Have we asked GOD for wisdom? (James 1:5) The watchmen on the wall has a different perspective than the one in the midst of life and drama. It's not a matter of interfering in our business, but a matter of godly influence in our decisions. Elders with wisdom and experience can help navigate pitfalls in life. To reject such counsel may not just be disagreement but rather a serious heart and attitude problem.

"And ye shall teach them your children, speaking of them when thou sittest in thine house, and when thou walkest by the way, when thou liest down, and when thou risest up." Deuteronomy 11:19. Dear parent and child, just look into HIS holy Scriptures, *which are able to make these wise*...Hey, read 2 Timothy 3:15,16. WOW! *Doctrine, reproof, correction, instruction in righteousness*. Did you see that? Do we have the heart attitude for that? I'm talking VISION.

### THE VICTORY

We come to 1 Corinthians 15:51-58. This is the VICTORY that declares the end of this present age. Now you write the sermon, at least this point. It takes Voice and Vision. So where is the victory? But thanks be to God, which giveth us the victory through our Lord Jesus Christ. HALLELUJAH!

THANK YOU FOR YOUR PRAYERS AND PARTNERSHIP!

## PRAYER LETTER

(Detach this page, post, and pray!)

### Update

I'm praying for a "Triple Crown Year" in 2022!

When Samuel, Prophet and Priest, rehearsed GOD'S repeated deliverance of Israel, Samuel gave a serious exhortation to obey GOD'S Voice. That little Big word "IF" introduces the blessing of obedience and the consequence of rebellion. As we enter 2022, GOD'S VOICE thunders forth as in Samuel's day. (1)The Prophet is right. (2)The Prayer is Repentance and (3)The Purpose is Plain. God's Voice to us today is as clear as the Prophet Samuel said: "...fear the LORD, and serve Him, and obey HIS VOICE."

I know there is insanity and confusion all around us. Yet God's Voice reassures HIS people in times like these. Our VISION must be anchored to JESUS the author and finisher of our faith. So 2022, until we are caught away out of this world, will by HIS Blessing be a time of harvest. May I, in advance, **Thank You** for your faithfulness, prayers and support. Scripture shipments have been received and more are on the way to Venezuela. Two more boxes are ready for the Philippines. Meetings are scheduled on the Calendar for this new year. Yes, a New Year of serving the Lord and obeying HIS VOICE will prove a Victory over the evil one. GOD help us to labour together for His Glory and precious souls. Amen.

## Philippines Witness

Reaching

Jungle Witness  
Preaching

There is no time for "tracts in a rack" in the Philippines. Our inaugural Scripture and Aid shipment arrived in the Philippines weeks late due to a pile up at the port, but completely intact - Praise the Lord!

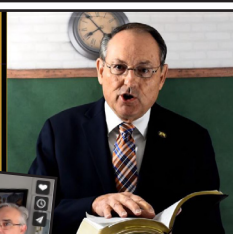

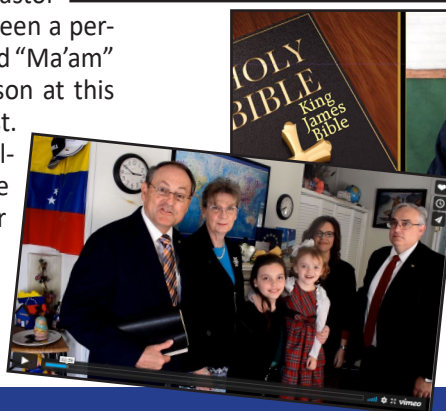

The boxes were immediately unpacked and put to use by the Jardelezas. Bro. June has been utilizing every opportunity to witness and give out the literature and Bibles. From villages and businesses to police stations and government officials, hundreds every week are presented the gospel and many have received hope found in salvation through Jesus Christ.

Bro. June said: *"Today [I] gave Bibles, John and Romans, and 3 kinds of tracts after preaching and praying. Most are senior citizens, 36 of them are requesting Old and New Testament Bibles. I had to leave all the remaining tracts and John and Romans to 2 Church[es] who wanted it. Many got saved even the people from other government agencies. I didn't count them but today's event is a blessing. [A]ll of them are happy receiving the Word of God. An average of 80 to 100 people in attendance."*

## Preaching

Travel to the Philippines is impossible due to COVID restrictions. However, Bro. Ronnie was invited to keynote the annual King James Bible Conference in December 2021 at Pastor Jardeleza's church. It has been a personal joy for Bro. Ronnie and "Ma'am" Terry to participate in-person at this conference in years past. Thankfully technology allowed them to span the miles virtually and minister once again. You can watch Bro. Ronnie's session from the conference on our website.

Even though blurry from a low quality cell phone picture, we rejoiced to receive the top photo.

Bro. Marcos (right) had received a box of Scriptures from The Voice and was sharing a supply with Lino's son. A few years back we were privileged to visit and be led to the village by Lino's son (Lower pic). Many might remember the testimonies of missionary Sophie Muller from the jungles of Colombia and Venezuela. Lino and Pablo were men she led to the Lord who later became leaders in the jungle ministry. Today, the second generation (Lino's son) continues in the work of the Lord. - AMEN!

## Christmas in Venezuela

Your offerings made it possible to send 20 pastors in Venezuela special Christmas gifts. These men have surrendered and trained to serve the Lord under some of the most difficult situations. Scripture and Aid boxes continue to be sent, but it was a special privilege in December to send grocery, personal items, sweet treats and other gifts.

It was also a joy to preach at the Landmark Church missions conference. Thank you, Pastor Ange for the opportunity to preach "Only Jesus" and THANK YOU church folk for your faithful friendship, prayers and support. Visit our website to listen to "Only Jesus."

## BIBLICAL ALERT Podcast

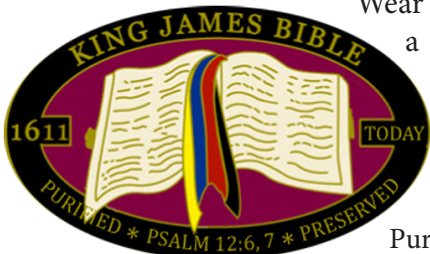

Listen each day to the Biblical Alert Podcast. Go to our website [www.thevoiceinthewilderness.org](http://www.thevoiceinthewilderness.org) for immediate access.  
A recent Podcast issued the following Alert:

Proverbs 3:5-6 indicates that we could trust the Lord, even in a secure risk today. Now here's a quote for you: "In 2019, the FBI recorded thousands of assaults, vandalism, and burglaries in houses of worship, as well as kidnappings and 9 homicides. Let's back up a little bit here. Between 1999 and 2018, there were 1,772 deadly force incidences recorded in and around church properties." Now here is an important note for us today. Good, Bible-believing, preaching churches are in preference mode - preference mode on Bible versions and opinions. Opinions are as diverse as the people in those congregations. Opinions are prolific on not only Bible versions but music, dress, alcohol, divorce, and remarriage. Even this topic of church security has entertained the opinion that we must trust the Lord for our safety and security during worship services. No! We need armed security while at church these days. "Guns in the church?" "Absolutely not!" says the opinion. "Is the church going to shoot and kill people?" These things get so convoluted and confusing when we get away from the truth. Remember when Nancy Pelosi looked at the American people and said that there is no such thing as tax-funded abortion. Now that is one of the lies that Nazi-Nancy has perpetuated as she stood and tore up, in front of the American people, the State of the Union speech. The Sergeant-at-Arms, Congress, nor anyone else did a thing. Andrew Cuomo is going to get away with murder, murder of precious people in nursing homes in New York State. Kamala thinks the Capital riots are equal to Pearl Harbor and 9/11. Yet she, Pelosi, Schumer, nor any of that lying bunch did anything about Antifa, BLM, riots, or murder. They are responsible for those things and responsible for the release of criminals from prisons. BUT *GOD is our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea; trust in the Lord with all thine heart and lean not unto thine own understanding and in all thy ways acknowledge him and he shall direct thy paths.*

## NEWS BITS FROM HERE AND THERE

**The Times** - Understand who you are dealing with. Is that Doctor, lawyer, baker or candlestick maker a believer in evolution or abortion. Watch out, even preachers have been duped into some form of theistic evolution. Then there is music. Throw backs to the 60's are showing up in the so-called "worship teams" and church music. They will tell you the times have changed and those hymns are OK but...In 1964, Bob Dylan strummed his guitar, played his harmonica, and sang these words:

*Come mothers and fathers throughout the land,  
And don't criticize what you can't understand.*

*Your sons and your daughters are beyond your command.*

*Your old road is rapidly aging.*

*So get out of the way, if you can't lend a hand,*

*For the times, they are a-changing.*

*Forbes* magazine observed, "Long known as 'a Christian nation,' the U.S. has turned sharply in a secular direction.... This historic shift will affect everything from elections to education to ethics and beyond..."

**No end to the Confusion and Corruption** - Petr Svab writes in *The Epoch Times* :

With the turning of the calendar to a new year, 2021 became the second year defined by the CCP (Chinese Communist Party) virus pandemic and the global response to it. Compared to 2020, last year was deadlier, but also more complicated. Issues such as virus variants, vaccine resistance, and vaccine efficacy have come to the forefront. Mandatory vaccination went from a "conspiracy theory" to official policy in a matter of months. Increasingly prominent also were legal battles over government restrictions on the population, with approaches taken by different states further diverging. While 2021 started with a massive wave of COVID-19 related hospitalizations, there also was an expectation that the pandemic would soon end....

**The Headlines tell a lot -**

- *Our government is out of control on this. They have broken all the rules that I know of, that I've been trained in for years and years.*
- *Manhattan DA Won't Charge Andrew Cuomo in Nursing Home Probe.*
- *There is zero effort, interest, promotion or care about early treatment [for] people who are sick with COVID.*
- *131 Judges: Supreme Court Chief Justice John Roberts, citing a Wall Street Journal investigation in his year-end report, called on federal judges to work hard to adhere to ethics rules after more than 131 judges were caught between 2010 and 2018 violating a rule that requires judges to recuse themselves from federal cases in which they have a personal financial interest.*

## The Constitution Defender

*The Constitution Defender* continues to make its rounds and definite impact wherever it goes. As 2021 came to a close, grandparents ordered copies as Christmas presents for grandchildren, media outlets shared the book online and in print, a family used its contents to study for the citizenship test, The Daughters of the American Revolution have nominated it for the prestigious Children's American History book award, and we even had the opportunity to swap "signed" books with Historian David Barton. You can read what these and many others are saying about *The Constitution Defender* on our website. One kind lady, just recovered from months of battling COVID, purchased books for her grandchildren AND gave extra so that others in need could receive a copy! As we travel, books are always distributed through a freewill offering and many are simply given away. In these days, it is imperative that we KNOW the BIBLE and KNOW the CONSTITUTION. *The Constitution Defender* presents both effectively! Request a copy. It is the perfect giveaway at your patriotic event this year.

Order in advance for bulk supply.

## Personal Note

January 2022 marks one year since Bro. Ronnie suffered the severe effects of Guillain-Barre Syndrome. We will forever be thankful for Dr. Barker, Bro. Ronnie's long-time personal physician for his quick diagnosis and insistence upon immediate treatment. Recently, Dr. Barker announced his retirement. Bro. Ronnie attended the retirement gathering and presented Dr. Barker with a special gift Bible in great appreciation for his care. God's provision is evident as he directs our steps.

*I would like to thank, once again, my family and friends for all the prayers and generous gifts during my recovery. - Bro. Ronnie*

## Sponsors Needed

For the past several years, we have been blessed to work with a Christian printer who has a heart for ministry. As we begin a new year, most of our printed material has been distributed - PRAISE! However, that means a large printing run is needed. Gone are the days of instant turn-around. Supplies are in great demand

and much sits on ships stuck in port, are delayed in shipping, or even back logged with understaffed manufacturers. More than once, we have experienced lost mail, damaged packages, backordered items, and even salesmen "duking-it-out" for first dibs on an item for a customer. In lieu of paper shortages and other confusions and complexities, we have much that needs to be printed NOW! Some gave a significant year-end gift that will help fund these resources. Will you consider a special offering to help print resources that reach and teach?

Through a kind gift, we are able to send SIX MOBILE BIBLE BAGS to pastors in Venezuela. Each shipment will contain 100 lbs. of carefully selected Spanish Bible teaching and outreach material along with needful supplies for a children's ministry. Two other Mobile Bible Bags have already been received and are being used. We are so grateful for the special offering to cover the expenses of the material and the shipping fees. Please continue to pray for this outreach and consider giving towards this effort.

## IS GOD'S WORK IN YOUR WILL?

"One of the most important documents a man ever signs is his Will. I can tell better what a man had in his heart by reading his Will than I can by reading his obituary. His obituary tells the world what his friends thought of him; his Will reveals what he had in his heart." - A. M. Vollmer

*For as (a man) thinketh in his heart, so is he - Proverbs 23:7.  
Out of (the heart) are the issues of life - Proverbs 4:23.*

A bequest in your Will to The Voice in the Wilderness, Inc. can assure that the outreach of this ministry at home and abroad will continue after you have gone to your eternal reward. Prayerfully consider us in your Estate Planning.

Thank you!

Are you progressing? Well, that sounds innocent enough...perhaps even positive for well-being. We Americans like to think of ourselves as progressive thinkers, not stuck-in-the-sand, but ingenious, creative, brave and bold. Surely it was that character which rallied the Black Robe Regiment as we fought for independence from Britain or called for a moral high ground under John Adams. Yet, today, we have “progressed” from that Biblical Authority to a perverse tablespoon of medicine that we seemingly all swallow to achieve the supposed healthy living of love and compromise. LGBTQ statistics prove this exclusively with millennials today reporting that some 38% align themselves with the anti-Bible, sodomy culture, whether that be through active lifestyle or mental adherence. Daily social media posts evidence the presence of open wickedness in the life of “Christian” families. Wine-sippers, dance floors, worldly entertainment, cross-dressing, same-sex, bi-sex, and “fluid”-sex activities are common place no matter the religious affiliation. Many a once stalwart beacon of truth have moved from that high ground and embraced some liberation movement reminiscent of the “free-love” hippie days. This bitter medicine has become sweet to some, and it is all-in, all-acceptable in the name of that love and compromise. Interestingly, Webster defines compromise as *a committal to something derogatory or objectionable; a prejudicial concession; a surrender; as, a compromise of character or right*. Looking to the next election, one prominent political thinker expounded that America needed not a bulldog but a unifier, a compromiser to bring the country together after such turmoil-ridden days. Truth rebuts that defeatist sermon and spews out such lukewarm mantra. Our nation, our churches, nor our families need not commit or surrender to something objectionable. The survival of our nation depends on the same that will save our souls - a complete turning away from sin - *But if the wicked will turn from all his sins that he hath committed, and keep all my statutes, and do that which is lawful and right, he shall surely live, he shall not die.* Ezekiel 18:21
