"The voice of one crying in the wilderness, Prepare ye the way of the Lord, make His paths straight." - Mark 1:3

by
Ronnie Williamson
Acts 1:1-8

What Does the Mission Require?

For over 65 years, The Voice in the Wilderness has been involved in worldwide missions. I would like you to consider a very critical point for believers today. Read carefully in your King James Bible the text taken from Acts 1:1-8.

Now, let's just quit the hypocrisy. You cannot "do" Acts 1:8 without "believing" Acts 1:3. You either believe the infallible proofs, or you do not believe. You either believe God's Word is inspired, or you do not believe God's Word is inspired. This indeed is a critical point in missions. Sadly, from pulpits across America, we hear men who believe God's Word has errors. They say the inspired Word only existed in the original autographs; therefore, Dr. Luke nor the greatest missionary ever, the Apostle Paul, did not have the infallible, inspired record. Now keep in mind, you just read the statement concerning all that Jesus began both to do and teach. Is this the record (the treatise) of Jesus and all He began both to do and teach? Do you believe this? Jesus conquered death, hell, and the grave. The proofs and record is infallible.

We have the written record, the genealogical record, and the geographical record. His tomb was empty, and the Romans nor the Jews could produce a corpse. Even the cowardly apostles were willing to die for Jesus after His resurrection. There were over 500 witnesses to the resurrected Jesus. In this publication, we have written about the many fulfilled prophecies concerning Jesus Christ. Churches around the world preach the Risen Christ. And there is continued attempts and attacks by religions, governments, and disbelievers to deny and discredit Christ's resurrection and the infallible proofs recorded in His Word. Surely, we will not doubt and claim there is error. Again, if we are going to "do" Acts 1:8 we must start by "believing" Acts 1:3.

To go from Jerusalem, and in all Judea, and in Samaria, and unto the uttermost part of the earth, will require great faith in HIM.

- This **mission** requires a **profitable faith**—Faith without works is dead. It's not a works salvation, but a salvation that works. A profitable faith will produce results.
- This **mission** requires a **proven faith**—As believers, let alone as American believers, we have a history and heritage of the proven. God has indeed blessed us. Over and

over again, HE has proved HIS great faithfulness.

- This **mission** requires a **perfecting faith**—In this age of confusion, we need discernment, wisdom, and maturity. *Are we the world's youngins? No we "ain't" the world's youngins.* I am a child of the King. We must not grabble in the world, but live like HIS child.

Seneca was a contemporary of the Apostle Paul and a Roman Statesman, as well as, a Stoic Philosopher. Yet he wrote: "...a monstrous contest of abandoned wickedness is carried on. The lust of sin increases daily; and shame is daily more and more extinguished. Discarding respect for all that is good and sacred, lust rushes on wherever it will. Vice no longer hides itself. It stalks forth before all eyes. So public has abandoned wickedness become, and so openly does it flame up in the minds of all, that innocence is no longer seldom, but has wholly ceased to exist."

I asked a national pastor what they needed. Of course, I thought his reply would be money for some project--but quite the contrary. He said, "We need American churches to stay strong." Do we have a form godliness denying the power thereof? Acts 1:8 says, "Ye shall receive power." HIS power flows through HIS perfecting faith. This mission requires the powerful perfecting faith in Jesus Christ to reach from Jerusalem and in all Judea, and in Samaria, and unto the uttermost part of the earth.

THANK YOU FOR YOUR PRAYERS AND PARTNERSHIP!

PRAYER LETTER

(Detach this page, post, and pray!)

Update

"Heaven and earth shall pass away, but my words shall not pass away." These *climate change* and *save the planet* reprobates refuse to contemplate such. They ain't seen nothing yet! We will be out of here and what a glorious event it will be! So until then the Church has God's marching orders, HIS WORDS shall not pass away, and we must keep advancing in the TRUTH.

Thank you so much for your help and prayers as The Voice in the Wilderness continues to spread the gospel seed. Lord willing, the Cherokee/King James parallel Book of John will be finished and distribution commenced. Pray that many lives will be touched for Christ sake.

Boxes of scriptures, tracts, food, candies and helps continue to be shipped to Venezuela, Colombia, the jungle areas and the Philippines. We are planning some additional gifts as the year-end and Christmas season approaches. The Hindi translation work continues on the Revelation study books. Pray for this amazing project. I know GOD will use this in the lives of our precious brethren in India.

As time permits go to our website at www.thevoiceinthewilderness.org for additional information, podcasts and resources. I pray you and your family are doing well. We lift up your requests before the LORD. Thank you sharing those with us when you correspond monthly. It is an honour to pray for you all. Just remember that our Father's Words "shall not pass away."

For Christ and souls,

Ronnie Williamson

Bro. June's family was excited to receive the **box of Scriptures** and supplies. Bubble gum and Nutella brought

big smiles from the boys. Pray as they work daily distributing the gospel and teaching the people. The Lord is opening many doors of witness with the Police department. Just recently many made profession of faith and a Police Colonel of Muslim belief listened to the salvation message.

Sharing

It is always a privilege and blessing to **share updates, teach, preach, and serve** in any way we are able while visiting in churches. This summer during one stop with the Mt. Sheba Baptist Church folks, we enjoyed sweet fellowship with our dear friends, Pastor and Mrs. Plemmons. With a truly dedicated Pastor's heart, they ministered to our family over many years. They have retired from full time pastor's work, but certainly have never retired from the Lord-Amen!

Jungle Witness

Scriptures Arrived! Thank you to all who prayed for the shipment to the jungles. Bro. Marcos received the **John/Romans** and other witness material and distributed them to the pastors in need. Much is needed! A new printing of the Curipaco translation of the Scriptures is needed along with other discipleship material. Please pray!

Venezuela

Pictured left is a teacher from Pastor Rafael's church who is utilizing the **Mobile Bible Bag** material that we sent for a neighborhood teaching time for children. Visuals, easel, microphone, stool - all these tools help reach boys and girls for Christ!

The Constitution Defender and Leaders

Scores of government officials have received a copy of **The Constitution Defender**. Sadly, some in leadership have admitted to having never read the U.S. Constitution. The Lilly family was pleased to

present NC Lieutenant Governor Mark Robinson and NC State Senator Chuck Edwards personal copies of **The Constitution Defender**. Pray that God will continue to use this witness and written

history to challenge and encourage not only young people, families, students, but also those leading our country.

BIBLICAL ALERT Podcast

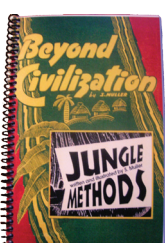

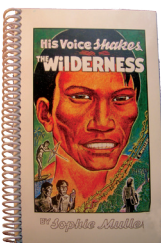

Listen each day to the Biblical Alert Podcast. Go to our website www.thevoiceinthewilderness.org for immediate access.
A recent Podcast issued the following Alert:

Think about these words - Values...Success. Definitions are being changed constantly. Does your government make you secure? What does that security mean? Think about this. Let's say Mr. Trump or those who packed those boxes, snuck top secrets out of D.C. to Mar-A-Lago. Well, was that a day ago? A week ago? A month ago? A year ago. Well, was the FBI a little slow on this? A little late on this, a little inept on this? How about a little corrupt on this? Even our southern borders, are they secure? Where's the FBI and security in this country? We talk about words and the meanings of those words. We're hearing a lot of political speeches right now. And what do those words mean to you? Now, I don't think anybody has planned on failure, planned on not being successful. God has given us a formula for success that we may be *prosperous and then thou shalt have good success*. Those words are recorded in the Book of Joshua. He was born in Egypt during a time of slavery. Even at that, Joshua would not be defined by his circumstances. Moses appointed Joshua to lead the armies of Israel against Amalekites. Those events shaped the life of Joshua, shaped him for success, shaped his thinking, his values, and that experience with Moses in the Tabernacle when God revealed himself. What a powerful moment that was when God changed the life, the thinking, the determination, the commitment to all powerful words in the life of Joshua. There's principles for success. We have God's book that gives us those principles. There are yet pressures, peer pressures, and evil company that corrupts. But as we worship Him in spirit and truth, and use the power of prayer to meditate day and night on the Word of God, we can have good success.

Out-of-Stock

As caretakers of Missionary Sophie Muller's personally written testimony, The Voice in the Wilderness has kept her books, *Beyond Civilization* and *His Voice Shakes the Wilderness* in print for decades. Another print run is needed. **Will you help fund**

this resource which has truly challenged many lives for greater service for Christ? \$800 would replenish our supply.

NEWS BITS FROM HERE AND THERE

Communist Chinese - Those criminal squatters in the White House are not warning and preparing for the Communist Chinese Parties(CCP) mobilization for armed hostilities. Analyst Gordon Chang says the CCP will not, with their first attack, give opportunity for retaliation. The CCP makes the blood argument that all Chinese are "blood bound" to support the CCP no matter where they live. They must unite - "tianxia" (All Under Heaven) no matter where in the world they are. The CCP ambition is to leverage an international people's war. This is a sustained, long-term revolutionary communist struggle. The CCP wants to weaponize the Chinese diaspora community. Newly amended National Defense Law gives the CCP the centralized power over the military and the People's Liberation Army. All neighbors, large and small, are under threat from the CCP's "international people's war". Yes, these are days of prophecy! As this is being written, today's headline is: "Xi and Putin having meeting..."

Government Education - Seven states have banned Critical Race Theory. Sixteen others have bills passing through the legislative process. Yet, a "Secret Curriculum" investigated by Project Veritas is actively being implemented in schools across America. The most recent uncovered was Jeremy Boland, assistant principal in Connecticut, who admitted to not hiring older, conservatives or Catholic teachers because they might influence the students likewise. He has been placed on administrative leave and is under investigation.

The School Choice movement is marketed as the conservatives' answer to the corrupt education system. Yet some warn of the money trap danger when taking funds appropriated by the government. Arizona's most right-leaning school legislation offers "no-strings-attached" money for every child's education, but each child enrolled in the programs will be categorized within the state system as a contract student with the state.

Where's the meat? - Smithfield Farms, actually owned by a consolidated group from China, announced it will close its California plant due to increased taxes and utility costs. AOC's Green New Deal promotes the rejection of beef and promises a healthy diet for every American. Cricket farms are springing up across the country to provide a sustainable healthy protein alternative. Check the label of your next healthy snack choice. It just may contain cricket powder.

World Economic Forum - Radical leftists, hosting annual meetings since 1971 in Switzerland, plan the Great Reset to achieve world globalism. Technology and science become god and rule the world in their utopia. In their religion, "fake news" is the Bible. Humanity is hacked and truth from this elite is indoctrinated into society. Heads of State, stakeholders, bankers, and other elites such as Justin Trudeau, Al Gore, and Bill Gates attend and the event is sponsored by companies like Google, AstraZeneca, Huawei, and Johnson & Johnson.

The Constitution Defender

Virtual Camp

Over 2500 families buzzed through the Georgia Homeschool Convention in Atlanta. Days were packed with not only sharing *The Constitution Defender* but also the gospel message. No doubt, due to COVID, Critical Race Theory, transgenderism, violence and a host of other issues, people are leaving government schools and searching for an alternative. As evidenced at this convention, there is a world of people looking for something. Praise the Lord for the witness opportunities given through the ministry of *The Constitution Defender*.

The trip to Atlanta afforded us the opportunity to catch up with a long time friend. Scarlet and Rebekah were Christian college buddies, and have kept in contact since. Scarlet assisted greatly in the refining and editing process for *The Constitution Defender*. Since then, she has earned her Ph.D. in History and teaches at the college level.

Immediately after the Georgia convention, Steve and Rebekah drove to Connecticut for a funeral the next day. A cousin of Steve's, who had lived through his 72 years of life with both physical and mental difficulties, was made whole and united with his parents and Saviour. It was a special time for Steve to share with the family and friends who gathered for the funeral. This family has such a special testimony. Watch for a unique online presentation of this story coming soon.

Funeral in Connecticut

In memory of Kenneth Rogers

Bro. Steve with his parents, brother, and family friends.

There's always a FIRST! This summer, we participated in our first virtual camp experience, though not our first time teaching the Constitution online. Servant's Heart Camp invited us to speak virtually for their family camp which ran with the theme, "I Love America." This date, time, and structure had been planned and on our schedule for over a year, yet God knew that it would work perfectly. You see, after our travels to Georgia and Connecticut, we all (Steve, Rebekah, AmiJoy, AbiNoelle, Ronnie and Terry) came home only to be struck down by some nasty pestilence. Steve held out the longest, but even he succumbed to the germs. By virtual camp time, most of us were on the mend, but Steve but was still very sick. If we had needed to be in-person for camp in Pennsylvania, it is doubtful that we could have made it; however, with a few lights, camera and action, we followed Christian Law Association and Tim Barton at Wall-builders with our Constitution Defender Rally. The Lord guarded all the technical aspects and the session was a great success!

Virtual Camp

Personal Note

In July, the Daughters of the America Revolution, a historic, patriotic organization, announced winners for their annual American History Essay Competition. Over 23,000 students participated. AbiNoelle was awarded Second Place at the national level for her essay on the Tomb of the Unknown Soldier. Congratulations, AbiNoelle! We pray the Lord continues to build her creative writing skills, and that it will be a great tool for His glory.

IS GOD'S WORK IN YOUR WILL?

"One of the most important documents a man ever signs is his Will. I can tell better what a man had in his heart by reading his Will than I can by reading his obituary. His obituary tells the world what his friends thought of him; his Will reveals what he had in his heart." - A. M. Vollmer

*For as (a man) thinketh in his heart, so is he- Proverbs 23:7.
Out of (the heart) are the issues of life - Proverbs 4:23.*

A bequest in your Will to The Voice in the Wilderness, Inc. can assure that the outreach of this ministry at home and abroad will continue after you have gone to your eternal reward. Prayerfully consider us in your Estate Planning.

Thank you!

on these things

Ruth Caye Jones was a mother of five children and wife of Pastor George Bertram Jones in Pennsylvania. In their early years of marriage in 1930, Ruth took care of her newest two children, helped her husband with his church, and assisted with the family weekly radio broadcast called, "A Visit with the Jones's."

Ruth was a self-taught pianist and loved serving the Lord through Christian music. She frequently hummed a tune, studied God's Word, and gained encouragement for the day from it. During one particular morning's devotions, while she was seeking a verse of comfort. American troops were struggling to push back the enemy in Europe during the World War and times were challenging. She read II Timothy 3:1 - "This know also, that in the last days perilous times shall come." While she was reading that verse, words of a song started to form in her head. She had the habit of keeping a little notebook in the pocket of her apron, so she took it out and jotted down the words that came to mind. Later, her clock began to chime a familiar tune. She combined the tune with the words that she wrote and called her song "In Times Like These." Here is part of what she wrote:

In times like these you need a Savior,
In times like these you need an anchor;
Be very sure, be very
Your anchor holds and grips the Solid Rock!

This Rock is Jesus, Yes He's the One,
This Rock is Jesus, the only One;
Be very sure, be very sure,
Your anchor holds and grips the solid rock!

The headlines are daily filled with tactics of the evil influences that are intent on destroying truth.

- California plans to ban gas-powered vehicles
- Green New Deal advocates propose cricket powder as top protein
- CDC reverses COVID protocols
- Communist tactics used against former U.S. President
- Critical Race Theory banned while teachers' union, Curricula developers and classroom instructors continue implementation
- Life is devalued from infants to elderly
- School Choice legislation paves the way for homeschoolers to become contract students with the state in order to access funding
- Unchecked illegals are bused to American cities
- Drag Queen story hours continue in schools and public libraries
- Government transfers student debt to taxpayers

In time like these, when evil abounds, a turning from sin to the Saviour, a Divine moving and intervention, a radical change in belief and behavior is the only answer.
