

Greetings from

The Voice in the Wilderness

July 2022

See reverse side and be a part of what God is doing today!

Cherokee

This is a special letter to a select group of faithful partners of this faith ministry. Paper, printing and bulk mailing costs increase daily so we will utilize our website, digital options and special first class prayer letters like this one to keep you up to date on specific projects.

Lord willing, the Cherokee Scripture is on the press as you read this prayer letter. Then, distribution on the Reservation is the next step. I'm asking you to pray earnestly that souls are saved and Cherokee believers strengthened through these scriptures. Across America "Indigenous" groups suffer from the grip of sin. Please pray we can be a voice of hope to these precious souls.

Witness

Secondly, a brief update on shipments. The Puinave, Spanish and English scripture portions have arrived safely in Colombia, Venezuela, the jungle and Philippines. Thousands of Gospel tracts were included in the boxes along with beans, rice, candy and other helpful items. Your prayers and support reach into countless towns, villages and churches through these shipments. Watch for updates on our website.

Podcast

Our daily podcast will also be a challenge for you with Biblical Alerts to current issues. Listen in and pray for us as we "Contend for the faith!" JESUS is coming soon. Sermons, project updates and meetings are highlighted for your access. Find the Biblical Alert Podcast on our website and other listening platforms.

Address

Next, the Asheville city Post Office has become a dangerous place for business. The small town of Weaverville is only 10 minutes from our office. Over the next few months our mail will transition to a new Post Office Box in Weaverville. Please begin using the below address for all correspondence and contributions.

Envelope

For your convenience, an envelope is enclosed. Please detach the upper portion of this letter and insert into the provided envelope, being sure that our new address shows through the window. Your active partnership is vital to this ministry.

Pray

Lastly, summer and year-end are challenging periods for ministries like The Voice in the Wilderness. I have enclosed this envelope for any additional support the LORD may enable you to give The Voice in the Wilderness ministry. We rarely do this and thankfully GOD has provided in miraculous ways. Praise His Holy name! Sadly, a lot of mission work like ours has not survived COVID, shutdowns, inflation and a host of challenges. Keep praying with us and thank you for being a part of The Voice in the Wilderness faith outreach. GOD BLESS you.

For Christ and souls,
Dr. Ronnie L. Williamson
Isa. 40:31
Happy Trails!
