

THANK YOU FOR YOUR PRAYERS AND PARTNERSHIP!

PRAYER LETTER

Update

During the month of February, The English/Cherokee Parallel John Scriptures were COMPLETED - HALLELUJAH! Bro. Maldaner at Plain Path Publishers worked hours with Rebekah to achieve a printable format for the material. We proofed, worked out some "kinks," printing was successful, and we all joined in to assemble thousands of Scriptures. Several boxes have already been delivered to the Cherokee, NC area and distributed in the community. Pray for this unique witness too!

Bro. Steve and Bro. Ronnie along with friends, Layton and Ethan Stout, made a successful mission trip to Colombia. Read the diary below and view pictures, videos and other details online. Good connections were made for future mission opportunities and first-hand updates were witnessed as we travelled from city to jungle ministries. Your prayers and support have made this outreach possible for over 70 years - Thank you!

Striving to Serve,
Steve & Rebekah Lilly

Isa. 40:8

Nuggets of Gold

The worst part of doing nothing is that you can never take the day off.

Old age is when you get it all together and forget where you put it.

Some people fail to recognize opportunity because it so often comes to them in overalls and looks like work.

Mission Colombia 2023

DAY ONE - Flight to Fort Lauderdale, FL

Although having completed every possible pre-flight preparation, we still experienced a near strip search to get through security and onto our plane. Due to tourist area attractions and events, our hotel prices for the night were outrageous!

DAY TWO - Flight to Medellin - Thankfully Missionary Putney recommended an excellent hotel near his church where we received a superb meal and good rest.

DAY THREE - After becoming acquainted with the history of Medellin at a near-by Museum, we met Missionary Gerosin and his soul-winning team outside a Soccer stadium where we distributed Romans Scriptures to attendees as they filled a 40 thousand-seat area. The majority were eager to accept this witness. Both Missionaries Gerosin and Putney helped receive the half-million Scriptures we sent in 2018 and have worked diligently to disseminate this gospel message.

DAY FOUR - What a privilege to attend and preach all day at Victory Baptist Church in Rionegro. Pastor Putney and his family are doing a tremendous work. It was a day filled with fortifying and encouraging fellowship. Bro. Putney needs your prayers as he continues to stand, preach and lead under challenging circumstances.

DAY FIVE - We flew from city to jungle and met Missionary Gage to plan for the next few days of ministry.

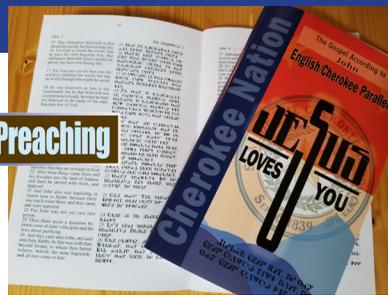

DAY SIX & SEVEN - Preaching and teaching at the Bible Institute - What a blessing to fellowship with second and third generation recipients of the ministry of Missionary Sophie Muller. Many have received the Scriptures in the Indian languages that we have printed and shipped. Praise the Lord for those who continue to carry on the witness.

DAY EIGHT - We travelled up the river by boat following the same path that Sophie took on many occasions. Some of us scaled Mt. Mavecure to gain a 360 degree view of an expansive jungle region. Our guide was a personal witness to the ministry of Sophie Muller.

DAY NINE - Flight from jungle to city and on to Fort Lauderdale - regulations, price gauging, and inconsistencies made travel challenging

DAY TEN - Flight from Florida to Home - Praise the Lord, the mission continues until Jesus comes - Amen!

 Assembly Complete ✓
 Distribution - IN PROGRESS

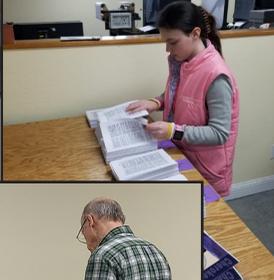

Thank you for faithfully praying and giving towards to the Cherokee project. After overcoming unimaginable obstacles, this gospel message is now being placed into the hands of the Cherokee people in Western NC. More prayer is needed! Pray the saving message found in these booklets will be read and accepted!

Listen Daily at: www.thevoiceinthewilderness.org

China owns and controls about 192 thousand acres of farmland in the U.S. and 35 million acres of farmland in the U.S. are owned by foreign investors. Who owns more land- Bill Gates, McDonalds or the Catholic church? 177 million acres of land are owned by the Catholic church. Has the Catholic church been flying under the radar? God's Word pulls back the curtain of the invisible, giving us, the children of God, a glimpse of the powers arrayed against God's people. We try to figure out the District of Corruption- Chinese balloons, drugs and criminals walking through our open borders, land grabs, Russia, Ukraine, wars, vaccine and Big Pharma. "...the spirit that now worketh in the children of disobedience." (Eph 2:2) There are three powers of influence that battle us on a daily basis- the world, the flesh and the devil. Wickedness gains its foothold through conformity, control and confusion. The demons work to make us the children of disobedience. If you are saved, walk worthy of the call. This is the call to be separate of the world, the flesh and devil. To walk in Christ, we must not get more up in the air than the *Chinese balloon* about rules, legalism, my body and my liberty, or when a pastor watches for the souls of you and your family. The *prince of the power of the air* wants to destroy you. You are God's "real" estate. Look like it, sing like it, talk like it! We have been delivered!

Cherokee Assembly Day

Colombia

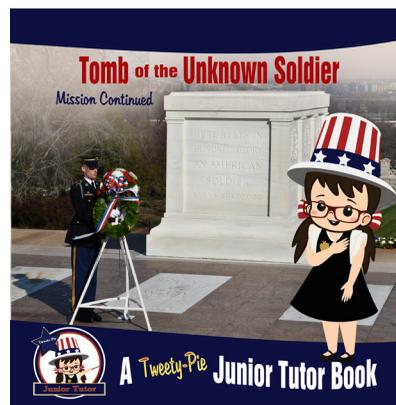

What a joy to preach, teach, and visit with labourers and servants of our Lord in Colombia.

Philippines Witness

More supplies, scriptures, and other witness materials have been sent to the Philippines. The shipment is currently in a container aboard ship for its voyage across the Pacific. Pray for a safe transport and delivery. Also, pray that the Lord might prepare hearts to receive the gospel message when the materials are distributed.
