(MISSIONARY-IN-TRAINING)

For All Boys & Girls

Engaging children in being a steadfast worker for Christ, *Encouraging* them to be a boy or girl pleasing to the Lord, and *Equipping* them to be a missionary every day . . . through lessons from the Apostle

Paul's missionary helpers, Aquila & Priscilla.

Lessons from Aquila and Priscilla

The school year is just starting and you may be ready. Have you already chosen a verse that you can use throughout this school year? Have you asked God to help you as you go to your different classes? What is your hardest class? English? Math? Maybe it is History or Science. The Bible tells us some things that we need to learn. In Isaiah 1:17, God tells us to, "Learn to do well." During this school year decide to do your best at all of your subjects. Titus 3:14 gives us another thing that we need to learn. "And let ours also learn to maintain good works for necessary uses, that they be not unfruitful." We need to learn to do good things for other people (maybe help your teacher clean their room) so that you may be a useful boy or girl. The last thing that we should learn this year is found in Psalm 119:73, "Thy hands have made me and fashioned me: give me understanding, that I may learn thy commandments." We need to learn about God this year. Make sure that you take time each day to read your Bible and talk to God. As you learn the Bible, you are learning God's commandments (rules) for you. Yes, there may be some classes that are hard, but we need to remember "whatsoever thy hand findeth to do, do it with thy might." (Ecclesiastes 9:10) Do your best because God wants you to (I Corinthians 10:31).

BOY'S BITS

An experiment for Dad's and sons - You will need a magnifying glass, a balloon, and some time outside. Blow up the balloon. Hold the magnifying glass over the balloon and angle it towards the sun. What happens? How long did it take? Why does that happen? If you put water in the balloon, would the same thing happen? Have fun learning together!

PRISCILLA'S PIECES
