Two of my favorite times of the year are here. Fall - I love to watch the leaves change color from the green that they were during the summer to the oranges, yellows or reds. It reminds me of the change that we have in our lives when we accept Jesus as our Saviour. Il Corinthians 5:17, "Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new." This year, I will enjoy it more because of the birth of my little girl AbiNoelle. She will be starting her life here on earth.

My other favorite time of year is Christmas - Not just because we see family and exchange gifts, but because Christmas reminds me of the first missionary. Jesus came down from Heaven to earth so that one day you and I can go to Heaven if we believe in Him. If you have not asked Jesus into your heart to take away all of your sins, this would be the greatest gift that you could give your parents this year. It is as easy as it says in Romans 10.9, "That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved." We have to do two things: confess (to tell God that we have done something wrong) and believe that Jesus is God. Have you done this? If you have not, how about talking with your mom, dad, or someone from your church right now and tell them that you need to be saved. If you have just asked Jesus into your heart, we would love to hear about it. Please write us and let us know.

BITS AND PIECES

BOYS BITS Shadowing A group of at least six is needed to play. One player is designated as "it" and gets a two-minute head start to hide from the group, followed by two "shadowers." After two more minutes of pursuit, one of the shadower goes back to the group and starts them in the right direction while the second shadower continues to pursue "it," dropping pebbles, kernels of corn or something similar as clues to guide the group toward "it." "It" wins the game if not found within a predetermined period of time.

CIALS CO. **PRISCILLA'S PIECES** Be an Encourager! Make your own card using plain pape or colored cardstock. Decorate the front - be creative - use buttons to create a simple design like an apple, use a sponge or bubble wrap dipped in white paint and press onto card paper to give it an interesting textured background. or melt old bits of crayon between two wax sheets with an iron and then cut it out into different size leaves and glue onto card. After decorating, write a note on the inside to your S.S. teacher or Pastor's wife and thank them for serving God. The time that you spend on this card will bring a smile to her face.

Take the Bible Scholar Challenge! Unscramble the letters in each column to make a sentence from Aquila/ Priscilla's Lesson on page 1.
