Lessons from Aquila and Priscilla

Does God ever lie? Will God ever change? Will the Bible ever change? These may be some questions that you have. There are some Bible verses that can help us answer these questions. Let's take the first question. Look in your Bible at Hebrews 6:18. The Bible tells us that God cannot lie. The verse uses the word "immutable" which means no one can argue with this truth. It also means that God will not change. He is "the same yesterday, and today, and for ever." (Hebrews 13:8) The Bible is God's Word to us. Since God cannot change and He is the same, then the Bible will not change. Psalm 119:89 tells us that God's Word is settled. This word settled means that it is complete. God has preserved His Word for us through the years. He has preserved His Word for English speaking people in the King James Bible. In 2011, we celebrated the 400 years that we have had the King James Bible. There is a new series of Hall of Faith cards celebrating the men who labored hard to make sure that they translated God's Word from Hebrew and Greek into the English language. How about learning something new about some of these men and collect the complete series of the King James Hall of Faith cards. [CLICK HERE](#) to order your collector cards.

Flag in Snow Stack

Give everyone a stick and a white cloth. Tie the cloth to the end of the short stick. Then, everyone has a chance to hide their stick by staking it anywhere in the snow within a predetermined set of boundaries.

Keep track of how long it takes for the rest of the group to find it. Whoever hid the flag that takes the longest time to spot wins the game.

Girl's Corner

PRISCILLA'S PIECES

Girls love to add jewelry to their outfits as a special touch. Why not let your jewelry be a gospel conversation starter! You will need several colors of oven-bake clay (found in any craft store), scissors or a knife, and a toaster oven. Roll or mold the clay into something that reminds you of salvation - the Bible, a cross, the world. You may want to use the colors of salvation. Stamps can even help you add words to your project. Place completed project in oven and bake following the package instructions. Glue a pin to the back or thread onto cording to make a necklace. Time to wear! You will be surprised what conversations of eternal value will begin with, "I love that pin you're wearing."
