MINISTRY UPDATE

A PERSONAL MESSAGE

2012 is abundant with answers to prayer. The good Lord has heard our many friends and partners intercede for us and The Voice in the Wilderness. From a tragic automobile crash, to an economy and morally bankrupt country, our Father has done exceeding abundantly above all we have asked. 2013 is an open door of opportunity as The Voice starts a new year debt free and celebrating 60 years of printing ministry. Lord willing this Diamond Jubilee will be a renewed time of preaching, teaching and missionary work.

My wife and I closed out the year with a fruitful trip to the Philippines. It was a joy to preach the Pastors Conference, the 5th anniversary service of the mission work in Capas and share in the wedding of Pastor Jardeleza's daughter. We had the privilege to present Bibles to all the Pastors. These were leather, nicely bound King James Bibles. The Pastors were elated. One dear brother said "This is the nicest Bible I have ever owned". That should prove the worth of your labours and our efforts as dozens of dedicated preachers hold forth the WORD of Life. Even in those very meetings, 40 precious souls trusted Christ as Saviour. Again your prayers and gifts have been multiplied beyond measure. Praise the Lord.

Just thinking...and praying

- Obama has pledged furtherance of Sodomite agenda.
- Our government claims concern for children after Newtown, but Pro-Abortion, Pro-Alcohol, Pro-Hollywood perversion continues.
- The Constitution is in utter disdain.
- America patronizes terrorist and betrays Israel.
- Fiscal irresponsibility and national debt is beyond recovery.
- Perversion is not a civil right.
- President Obama signed 23 executive orders on stiffer policy and gun control.
- Obama says, "Our journey is not complete until our Gay brothers and sisters are treated like any other under the law."
- God is certain to judge America for such abominations as Obama is promoting.

Pray for us!
