& Prayer Letter

THANK YOU for being a friend to this ministry and the giving of your prayers and support!

PERSONAL MESSAGE

Prayer Needed

Chaos and confusion seem to characterize much of the world today. This may appear to be a trivial matter but is an indicator of the serious problems in Venezuela. Coca-Cola has suspended production due to lack of sugar and raw materials. Some have called Venezuela's inflation rate, "the world's highest," rising to 800%. Thankfully, The Voice in the Wilderness was able to get funds to one of the missionaries we have worked with for several years. Many of our brothers and sisters are suffering because of the oppressive government in Venezuela. Daily necessities are virtually unavailable or beyond their reach financially. Please keep the churches in your prayers. God is certainly able to overcome these adversities but they will need our continued intercession during this crisis.

Hopefully, by now, you have received the new printed edition of *The Voice in the Wilderness*. We trust this special "Centennial Edition" honoring the testimony and influence of Dr. J. Royce Thomason, will be a blessing. Let us hear from you from time to time. It is always an encouragement to get letters from subscribers and supporters. Take time to notice the new resources available and some of the current projects and needs listed in this prayer letter and the printed "Voice." Thank you so much for your partnership.

For Christ and souls,

Ronnie Williamson
