## PERSONAL MESSAGE

### Ministry Update

#### Request from D.C.

Watch for a detailed report on our trip to the Pastor's Capitol Connection in Washington D.C. on our website and in the summer edition of *The Voice in the Wilderness*. May I say here, that every Congressman that we met is begging for your prayers. These are critical times in all the legislation and actions taking place in Washington D.C. We met on the House floor and one Congressman said it is "Washington D.C. against the American people." We saw and heard desperation for Divine Intervention by elected servants who look to us for prayer and to God for a miracle. At midnight, in the House Chamber, one Pastor asked the Congressman from Oklahoma "What are we to do?" The answer: "Pray for Divine Intervention."

Listen carefully. There are born again men and women on Capitol Hill. They are saying we cannot stand higher, we cannot hold a higher standard than the Pulpit and the pew preaches and lives. Our elected officials in D.C. are begging for churches to set aside the therapeutic, coffee

time, feel-good, seeker-friendly, churchianity and seriously seek God's intervention and healing for our land. They are desperate for prayer and God's help!

#### Remember This!

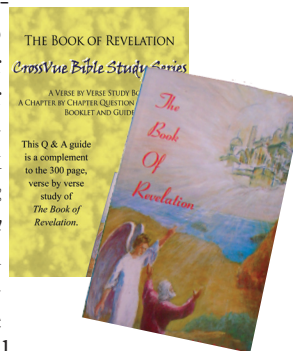

We are packing the Bibles and materials to head for the Philippines. Please pray for our meetings, safety, good health and a fruitful missions trip.

Also continue to remember in prayer the revision work on the *Book of Revelation* study and all the other resource material prepared by The Voice in the Wilderness. Please visit our website or view the resource information listed in the latest publication.

Thank you so much for your partnership with The Voice in the Wilderness.

For Christ and souls,
