PERSONAL MESSAGE

PRAISE, PRAYER, & PROJECTS

“The Laodiceans had failed to consult Heaven’s oculist about their own dimmed spiritual eye-sight... In its day of spiritual awareness, the church had been able to see the wrong in all things detrimental. Now in her lukewarm state, things had changed. They could still see the wrong of big sins...however, the lesser sins, especially those which pleased and pampered the carnal, these had suddenly turned from black to a strange gray.

They seem to have forgotten that first convictions are always safest, that established principles never change, that what was once right will always be right and vice versa.” This is commentary from Dr. J Royce Thomason’s verse-by-verse study of *The Book of Revelation*. We need your prayers as we finish final proofing for the reprint of this critical study. As so many in the church today seemingly fall for

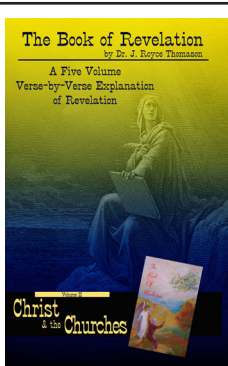

the tricks of the devil, the urgency for such material is apparent. For The Voice in the Wilderness, this is a huge project and we ask for your prayers.

Along with the printing of The Revelation Study, we are proceeding with the Puinave and Guahibo John and Romans for the jungle. (Thanks to all that assisted with the Piapoco and Curipaco scriptures.) Also final details are coming together for shipping Spanish Scriptures to Colombia and Venezuela. Please keep all these efforts in your prayers. You are and have always been a vital partner in the support of these projects. God Bless and please keep praying.

For Christ and souls,

Ronnie Williamson
