VICTORY

1 Corinthians 15:57

"The voice of one crying in the wilderness, Prepare ye the way of the Lord, make His paths straight." - Mark 1:3

by
Ronnie Williamson

Ps. 12:6-7
John 10
2 Chron. 36:18-19

What **Voice** Do You Hear?

"In the beginning was the word!" Now that's not a word, one of many or your preference.

GOD specifically says HIS WORD is for ever settled in heaven. Do we hear GOD'S VOICE? HE says to us that today HIS WORD is preserved for every generation.

The words of the LORD are pure words: as silver tried in a furnace of earth, purified seven times. Thou shalt keep them, O LORD, thou shalt preserve them from this generation for ever. Psalm 12:6-7.

GOD can not lie and GOD has preserved HIS WORD for every generation because HE promised HE would.

Can a child of GOD not hear the heavenly Father's Voice and know HIS VOICE? Yes, The sheep do know the Shepherd's **Voice**. Read about the sheep knowing the Shepherd's **voice** in John 10.

Think about the pew at your Church. How many different Bible versions (**voices**) are there? How many different Bible versions are in the hands of your brothers and sisters? Do we trust GOD and HIS promises to preserve HIS WORD as "thus saith THE LORD" and not as modern translators ask "Yea, hath God said?"

The Voice in the Wilderness Theme for 2022 is "**VOICE**, VISION and VICTORY." If we do not hear God's **voice** as breathed in HIS HOLY BOOK and get it right on the Book, we will struggle getting it right. For those Bible students serious about God's word I recommend

reading at least one of the following resources:

1. *A More Sure Word* by R.B. Ouelette
 2. *Not One Jot Or Tittle* by Peter James Putney
 3. *Touch Not The Unclean Thing* by David Sorenson
- No doubt, these books will be a help and blessing.

After preaching for 50 years, serving in the Local Church and, for over 25 years, traveling to mission works around the world, it is abundantly clear that far too many in the ministry are not hearing GOD'S **VOICE**. Please listen up people. The Vision and Victory is ours to gain or lose!

And the temple of God was opened in heaven, and there was seen in his temple the ark of his testament: and there were lightnings, and voices, and thunderings, and earthquakes, and great hail. You can read GOD'S record on this. Nebuchadnezzar took the vessels of the temple and carried them to Babylon. But that old Nebuchadnezzar could not get hold of GOD'S Holy Ark.

2 Chronicles 36:18 and 19 make this obvious. 500 years later John sees, hears and records his witness of GOD'S preservation of His Ark of The Covenant!

For ever, O LORD, Thy word is settled in heaven. Listen, Look and Live in the TRUTH of God's Holy Word. Let not your heart be troubled!

No, we are not moving. Yes, we do have a new address. In 1997, The Voice in the Wilderness office moved from Dallas, Texas to Asheville, NC, a beautiful town in the Smoky Mountains of Western North Carolina. Today, under an encroaching liberal, woke agenda, the city limits have become overrun by homeless, drugs, violence, and an overall sin culture. Having been accosted by criminals and caught between dangerous activity, it has become necessary, for our safety, to move our Post Office box out of Asheville. Changing a business address is not an easy task and will take some time to implement completely. Please note for your future correspondence, the following is the new address for The Voice in the Wilderness -

THANK YOU FOR YOUR PRAYERS AND PARTNERSHIP!

PRAYER LETTER

(Detach this page, post, and pray!)

Update

This is the cover of the Cherokee/King James Bible gospel of John parallel scriptures we are hoping will be approved for printing. It would be a blessing to distribute this powerful message in the Cherokee language to the precious people of the Cherokee Nation. Pray we can proceed with this project. Also six more boxes are heading to Venezuela and two boxes on the high seas en route to the Philippines. Pray for safe arrival of these shipments and that many souls will be saved. These two shipments equal over 720 pounds of tracts, scriptures and helps.

That's thousands of pieces of literature with the gospel message of eternal life. Thank you for making this effort possible through your prayers and gifts. I pray you will be encouraged by the messages on the VOICE, VISION and VICTORY we have in CHRIST! Prophecy is being fulfilled before our very eyes. Yes, Russia is a part of that.

Our heartfelt intercession goes out for the people of Ukraine and so many suffering in that war, a spiritual warfare. While all this plays out don't forget to keep your eyes on Israel and the Middle East. GOD help us to be on the front line in prayer and faith.

For Christ and souls,

Ronnie Williamson

Philippines Witness

Reaching

Teaching

Phew! That's heavy! Unlike Venezuelan shipments which are restricted to a maximum of 100 pounds per box, the Philippines' only requirement is that the box

not bulge at any point. So, pack and pack and stuff and fill, we did. Bibles, Scriptures, tracts, Christian education materials, and food items were loaded and taken to the designated departure point. Thanks, Bro. Layton and Bro. Ethan, for helping with loading and transporting! Keep these hundreds of pounds in your prayers as they travel to the port in the Philippines. Pastor June is anxiously waiting to put all these tools to use in evangelism and discipleship. He wrote recently - "Please pray even though food prices and gas go up again, we keep on serving...praying many will be saved...we are preparing to give out more tracts. We will also give out John and Romans. People right now are hungry to hear the Word of God during this time."

Sermons

For 75 years The Voice in the Wilderness has stood for Fundamental Christianity and American Freedom. Reaching, Teaching and Preaching from the King James Bible have been foundational efforts of the ministry. Listen to sermons presented by Dr. Ronnie L. Williamson, Evangelist, The Voice in the Wilderness.

While visiting at the Pleasant Ridge Baptist Church, folks gathered at the altar and prayed over the Puinave Scriptures that will soon be sent to the Jungle ministry. Please pray for safe passage for this shipment and the hands and hearts that will receive this gospel message.

Jungle Witness

The Constitution Defender at the Missouri Capitol

Pastor Wynn and Colonel Koonce graciously provided the way for The Lillys to enter the Missouri Capitol, meet legislators and present copies of *The Constitution Defender*. What a blessing to know that over 50% of the legislative body at the Missouri capitol profess to know the Lord. Praise the Lord for the witness of *The Constitution Defender* (each copy included a gospel witness) and for men like Pastor Wynn and Colonel Koonce who dedicate many hours to ministering to government leaders.

BIBLICAL ALERT Podcast

Listen each day to the Biblical Alert Podcast. Go to our website www.thevoiceinthewilderness.org for immediate access. A recent Podcast issued the following Alert:

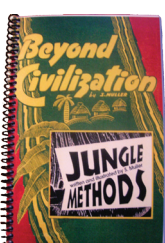

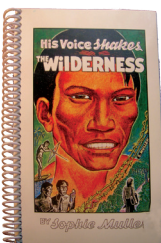

I am voting! I vote for life - for babies, for elders, elders in nursing homes (Cuomo!). I vote for Biblical creation and the Book of Genesis. I vote for male and female distinctions. I vote for God's ordained union of marriage. I vote for God's design. I vote for dominion and stewardship of the fish, the fowl, over

every creature, over all that God has created and ordained that man have dominion. I vote for the hymn book, the great hymns of the faith that teach doctrine in Scripture, not these *kum by yahs*. I vote for anointed preaching and teaching even in Sunday school. I vote for Sunday school done right, where throughout the church, from the little ones up to the senior saints, the pastor knows what's being taught and it's being taught by people who are qualified to teach. I vote for ties and coats, even on the ushers and in the choir. I vote for dresses on ladies (underscore ladies) the ladies who are feminine for God and His glory. I vote for the King James Bible. I vote that at every church folk take time at the beginning of the year to read all the way through the Bible. I vote for the Constitution. Maybe we need to read all the way through the Constitution, also. Hey, from the local dog-catcher, county, state, and national level there are opportunities to vote for men and women that are qualified to uphold our rule of law and the history and heritage that God has given us as one nation under God. The state and national level need God's people to go to the polls and vote. A challenge to all - Let your voice and your vote be heard and guarded. Let God be true and every man a liar. *Likewise the Spirit also helpeth our infirmities: for we know not what we should pray for as we ought: but the Spirit itself maketh intercession for us with groanings which cannot be uttered.* Walk in the spirit and give God the glory!

Out-of-Stock

As caretakers of Missionary Sophie Muller's personally written testimony, The Voice in the Wilderness has kept her books, *Beyond Civilization* and *His Voice Shakes the Wilderness* in print for decades. Another print run is needed. **Will you help fund**

this resource which has truly challenged many lives for greater service for Christ? \$800 would replenish our supply.

NEWS BITS FROM HERE AND THERE

Reaching Ukrainians - Missionary family, The Pascarus, report from Moldova near the Ukrainian border: While the attack on our neighbors took us all by surprise, Moldovan pastors and churches quickly organized shelters throughout the country and food service at the border. It has been our privilege to be involved from early on, in particular at the Palanca border. Victor has made numerous trips, distributing food and other necessities to refugees as they enter, many of whom were in line for over 36 hours (in cars), while those on foot also had to wait hours in tents at temperatures in the 20's F... we were also able to help with kitchen setup at the border and linens at refugee camps while thousands of Ukrainian women and children poured in. Russian tracts and Bibles became available, and numerous witnessing opportunities have presented themselves... pray for this sudden ministry that we have become involved in, that souls will be saved and that we will follow the Lord's leading in effectively dividing our time and wisely using His resources.

It's a Wonderful World? - Is there finally a wake-up to the "woke" agenda at Disney? For decades, discerning voices have warned of liberal, leftist, and anti-Bible content seeping into Disney productions. Recently video meetings captured Disney executives vowing to make over 50% of the characters LGBTQIA+ and bragging about being able to stuff content full of "queerness." Yet Christians continue to flood the theme parks, rent the media, and purchase the paraphernalia, propping up and funding this wicked agenda.

Take a Swift Sniff of That - A Young Living Essential Oils executive touts new book, *My Word Made Flesh*. Readers are encouraged to follow the seven transformational steps to "awaken our all new self." A swift sniff of that sinful, self-filled Satanic spirit should send any Saint sprinting!

Military Attack - Just since Biden has been President, the U.S. Military has instituted over 60 hours of "woke" military training. National Defense University, the highest military school for officers in America, scheduled a speaker who authored a book entitled *Time for Socialism*. The lecture was hosted by the Pentagon and the Eisenhower School with a stated goal of promoting an anti-capitalist approach to Communist China.

Highest Ticket Campaigns - No longer are congressional or Senate seats the biggest ticket items. Local school board campaigns are breaking the six and seven digit budgets. If not the school board seat then the mayoral seat, which appoints school board members, runs campaigns in which teachers' unions contribute millions of dollars. In 2020 a Louisville political arm of the teachers' union spent over \$400,000 promoting two of its school board candidates. Yet the New York Post headline from August 2020 states: *Teachers and their unions have been anything but heroes amid COVID-19*. The article went on to state, "If the teachers unions get their way, teachers' letter grade during this crisis will be a shameful 'incomplete.'" The state of America proves the "incomplete" has been a cumulative score for decades.

The Constitution Defender

WOW! The aisles were packed shoulder-to-shoulder, the noise level intense and The Constitution Defender booth was a-buzz with activity during the opening night of the homeschool convention in Missouri. Many families choosing to take responsibility for the education of their children, stopped by to talk "Constitution" things and homeschool ideas and left with *The Constitution Defender*, the best family resource for studying the Constitution from a Biblical, original intent position, in hand. Donations have already been put to use in ordering a new run of books for upcoming meetings.

After three full days of convention activity, we packed up and travelled further into Missouri for set-up at Pleasant Ridge Baptist Church. Our team had a blast working with the children and presenting a Patriotic themed lesson. It was clear that, under their attentive ears, the gospel was speaking to their hearts. Several recognized that they had never accepted Christ as personal Saviour. We pray that they will make that choice to live for Jesus soon.

Missouri Homeschool Convention

The Constitution Defender Rally enjoyed enthusiastic participation from all the church folks. This simple format for learning all seven articles of the U.S. Constitution encouraged all ages that they could Be A Constitution Defender.

The Lillys taught the "Red, White, and Blue" found in God's Word to the children's class.

Do you know all seven Articles of the Constitution? How would James Madison vote? These questions and more were answered during the Constitution Rally.

We
Need
YOU!

Praise the Lord!- Six Mobile Bible Bags weighing 100 pounds each are en route to Venezuelan Pastors. Each shipment contains enough teaching material to host a week-long VBS, distribute soul-winning and discipleship material and feed the children. A box can ship for \$100 and can hold \$200-\$300 of vital supplies. Other pastors would be greatly blessed by such a shipment. Perhaps you could completely fund a VBS for a Venezuelan Church! The children thank YOU!

Personal Note Congrats to the Master Clubbers

During this current school year, the Lillys have been blessed to be a part of Master Clubs at Temple Baptist Church. What a thrill to help the boys and girls study God's Word, learn multiple verses per week, memorize numerous Bible facts and learn of many missionaries and what they have given to the Lord. Recently the clubbers participated in Regional competition and brought home LOTS of ribbons, medals and awards. The music, story-telling, preaching, and Bible games were truly honoring to the Lord. A job well-done to AbiNoelle and all the other young people!

IS GOD'S WORK IN YOUR WILL?

"One of the most important documents a man ever signs is his Will. I can tell better what a man had in his heart by reading his Will than I can by reading his obituary. His obituary tells the world what his friends thought of him; his Will reveals what he had in his heart." - A. M. Vollmer

*For as (a man) thinketh in his heart, so is he- Proverbs 23:7.
Out of (the heart) are the issues of life - Proverbs 4:23.*

A bequest in your Will to The Voice in the Wilderness, Inc. can assure that the outreach of this ministry at home and abroad will continue after you have gone to your eternal reward. Prayerfully consider us in your Estate Planning.

t.h.i.n.c. on these things

Do you follow the money? Homeschooling, private education, and Christian education in America have clear roots back to colonial times. Founders themselves, like James Madison were tutored privately in the home by their mothers or hired teachers, and preachers, such as the Rev. Witherspoon, kept the Bible forefront in higher learning schools. Changing centuries showed the priorities in the home moving from the Bible to the secular. With the World Wars single-parenting became prevalent and many times "no-parenting" was the practice as women began working long hours in the factories. The traditional parent-led education was forfeited to government provided

textbooks and classrooms. More recently, school boards overrun by liberal agenda and teacher's union acting as the strong arms of the NEA, dictate the learning of America's children. In the 1970s, pastors began preaching against the secularization of the children and a reactionary "Christian" school movement exploded. Nonetheless, a generation rebelled against their gift of godly education, embraced the worldly and returned their own children to the godless system. Excuses abounded including the mounting expenses of private education, the lack-lustre of technology and extra-curricular activities, and some even challenged the education itself as not meeting the necessary federal standards. A great divide in America erupted pitting a secular government against a more traditional God-centered approach to education. Christian education, including homeschooling which surged in the 80s and 90s, started each day in God's Word and focused on a strong foundation in the three R's. Government schooling began to out-law God and the Bible and turned educational priorities towards cultural agendas. Even with reading, math, and science scores plummeting, children continued to attend public schools and funding increased. Then came COVID. Suddenly the classroom came home and the parents were forced to parent again. No longer could parents claim ignorance when faced each day with the godless and sub-standard education being peddled to their children. At the reopening of schools, some have chosen to fight for better education at the local level, attending school board meetings and even running for school board seats, in an effort to redeem an education system entrenched in a "woke" agenda. Others leaned once again to the private Christian schools as a safe haven, but with one caveat - to "pay" for your child to go to school when others go "free" seemed to be a big pill to swallow. Hence, a surge in the "School Choice" movement has sought to make a bitter pill sweet by increasing legislation that would fund a more parent-centric education, allowing them to choose the environment their children received education, while accepting monies to finance the choice. Twenty-nine states currently issue vouchers to qualified families. Twenty-one states offer tax-credit scholarships to parents to fund educational choices. Over 600,000 students have utilized such options with a great increase in private school and homeschool choices since COVID. Teachers' unions are now fighting back through courts and legislatures to rescind School Choice funding, especially for religious education, and institute further restrictions upon private schools and homeschoolers. Teachers' unions are now massively funding liberal school board candidate campaigns, fighting to keep children masked, lobbying for continued virtual learning, and actively instituting Critical Race Theory, gender confusion, 1619-based "history," and a host of other diabolical teachings into classrooms. North Carolina, alone, has seen an increase of nearly 10,000 more applicants for school choice funding for the upcoming school year and a case against the voucher being used towards Christian education is now on the docket awaiting a judge's ruling. What is the education choice in America today? TO PARENT or NOT - that is your choice. Truly multitudes of early Americans received a superior education with the Bible and Blue-backed speller. More government funding funneled through teachers' unions or School Choice will not make better education. Better education comes from parents recognizing their God-given duty to invest in the training and teaching of their children. **Better education comes from Godly parents parenting Godly.**
